Infectious diseases

1. **Abdominal tuberculosis in Madrid: comparative analysis between HIV and non-HIV patients** *Abelenda Alonso G., Fernández-Marcote Menor E.M., Cervero Jiménez M., Del Valle Loarte P., Torres Perea R., Delgado Heredia M.J., Agud Aparicio J.L., Jusdado Ruiz-Capillas J.J.* (Madrid, Spain)
2. **Abdominal tuberculosis in Madrid: epidemiological analysis of 20 cases** *Abelenda Alonso G., Fernández-Marcote Menor E.M., Sánchez López B., Del Valle Loarte P., Cervero Jiménez M., Torres Perea R., Agud Aparicio J., Jusdado Ruiz-Capillas J.* (Madrid, Spain)
3. **Is there neutrophilic dysfunction in patients with advanced HCV liver disease treated with new protease inhibitors?** *Abelenda Alonso G., Sánchez Sánchez E.M., Flor de Lís Lasierra J.L., Cervero Jiménez M., Moreira Escriche P., et al.* (Madrid, Spain)
4. **Epiglottitis – a common disease or a rare form of presentation?** *Abreu Nunes A., Cabral C., Melo V., Pinto Machado J., Teixeira M., Macedo S., Capelo J., Campos A., Marta Mós, Monteiro N., Monteiro A.* (Viseu, Portugal)
5. **Deceptive presentations mimicking Mycobacterium tuberculosis** *Afroze S.R., Barai L., Rahim M.A., Rahman R., Uddin K.N.* (Dhaka, Bangladesh)
6. **Systemic infection with methicillin-sensitive Staphylococcus aureus** *Alçada F., Faria C., Chan S., Teixeira L., Pimentel A., Viana P.* (Leiria, Portugal)
7. **Mediterranean Botonosa fever on the 3rd health zone of Madrid** *Alonso Moreno B., Pino Gil J., Novella Mena M., Sanz Moreno J., Arevalo Serrano J.* (Madrid, Spain)
8. **Pseudomembranous colitis is caused by Clostridium difficile in an internal medicine ward of a Portuguese district hospital - a 42 months case study** *Anzola Y., Antunes I., Gonçalves A., Vilaça T.* (Torres Vedras, Portugal)
9. **Nosocomial infection as a hospital readmission reason** *Araújo M., Campos H., Gomez N., Castelo Branco M.A., Nunes da Silva G.* (Lisbon, Portugal)
10. **Tuberculosis – surprising numbers in a Portuguese hospital** *Araújo M., Gomes F., Almeida S.I., Espadinha V., Faustino A., Louro F.* (Lisbon, Portugal)
11. **Tuberculosis of the CNS - a case of Mycobacterium tuberculosis brain abscess** *Arderius M., Neno M., Carmo Pereira S., Lorenzetti M., Badura R.* (Lisbon, Portugal)
12. **An unusual case of infected aneurysm** *Basoulis D., Tsilingiris D., Fytilli C., Psychogiou M., Doulaptsis M., Klonaris C.* (Athens, Greece)
13. **Descriptive study of arbovirosis (Dengue and Chikungunya disease) in travelers returning to Cantabria (Northern Spain) from Caribbean region and Southeastern Asia, from 1990 to 2014** *Bonilla Olmos G., Coduras Erdozain A., Marcote Ibáñez C.,*

Campo Esquivel B., De Benito Población I., Rodríguez-Feijoo M.A., Arnaiz García A.M.
(Santander, Torrelavega, Spain)

14. **Computerized axial tomography scan versus fibrobronchoscopy as prognostic complementary tests for tuberculosis** *Calvo B., Farid-Zahran M., Araujo G., Grimón A., Alejandro J., et al.* (Madrid, Spain)
15. **Tuberculosis and non-communicable chronic diseases on patients admitted into Spanish internal medicine departments from 2005 to 2011** *Calvo B., Farid-Zahran M., Grimón A., Romero B., et al.* (Madrid, Spain)
16. **An uncommon diagnosis for a common symptom** *Campôa E., Pinho R., Arez L.*
(Portimão, Portugal)
17. **Chickenpox is not always gentle: pneumonia with acute respiratory distress syndrome as a rare complication of Varicella zoster virus infection** *Canelas C., Carvalho D., Gomes T., Sarmiento A., Esteves F.* (Vila Real, Portugal)
18. **HIV treatment adherence: associated neurological delirium of taboo to HIV** *Carrera Bolaños L.C., Carvajal Ronderos E.J., Moraes F., Barba M., Urbano Gálvez J.M., Ramalho Rosado C.A., et al.* (Elvás, Portugal)
19. **Listeria monocytogenes meningitis in an immunocompetent adult: a case report** *Carvalho R.M., Pereira R., Gomes V., Rodrigues C., Oliveira e Silva A.* (Braga, Portugal)
20. **Pneumocystis jirovecii pneumonia in a patient without HIV infection** *Carvalho R.M., Pereira R., Gomes V., Rodrigues C., Oliveira e Silva A.* (Braga, Portugal)
21. **Fever and abdominal pain: mesenteric adenitis as a manifestation to Haemophilus influenzae infection. A case report** *Castaño Romero C.F., Peláez Ballesta A.I., Peláez Ballesta C., Hernández-Roca J.J., Mateo R., Mené E.* (Lorca, Spain)
22. **Prospective study of Staphylococcus aureus bacteremia in a university hospital** *Castaño Romero F., Vaquero Herrero M., Siller Ruiz M., Ragozzino S., Sánchez González R., García Sánchez J.E., García García I., Marcos M., Ternavasio de la Vega H.G.* (Salamanca, Spain)
23. **Tuberculous meningitis: two sides of the same disease** *Cerol M., Paulos A.R., Dias M.V.*
(Santarem, Portugal)
24. **Rhodococcus equi: a rare necrotizing pneumonia in immunodeficient patients** *Cervilla Muñoz E., López Aparicio A., Recarte Andrade C., García-Espona Pancorbo A., Clavero Olmos M., García García A., Saldaña Díaz A.I., Donis Sevillano E.* (Madrid, Spain)
25. **Unusual infectious endocarditis** *Chalhoub G., Luporsi J.D., Rahmati M.* (Metz, France)
26. **The impact of clinical suspicion level in early diagnosis: case report** *Coelho I., Antunes A.L., Castro Gomes G.C., Oliveira e Silva A.O.* (Braga, Portugal)
27. **Study of Mycobacterium lentiflavum's isolates in a tertiary hospital in Spain. An emerging pathogen?** *Corps Fernández D., Arranz Caso A., Salazar Mujica C., Lozano Cruz P., De Miguel Prieto J., Sanz Moreno J.* (Madrid, Spain)

28. **Clostridium diarrhea relapse – reports of two successful cases with a different approach to the antibiotic therapy** *Costa C., La Feria P., Ávila P., Gomes F., Teixeira H.* (Lisbon, Portugal)
29. **Erythema nodosum - a manifestation of tuberculosis primary infection** *Costa I.A., Meireles R., Bandeira P.* (Famalicão, Portugal)
30. **Voluminous Parvimonas micra cervical abscess** *Costa J., Marinho C., Badura R.* (Lisbon, Portugal)
31. **Part of the cure, part of the disease** *Cristino A.V., Pais C., Silva R., Silva N., Salvador F., Faria T.* (Vila Real, Portugal)
32. **Brain abscesses: uncommon presentation of infective endocarditis** *Dinis J., Gaibino N., Gomes D., Oliveira A.* (Lisbon, Portugal)
33. **Crust (Norwegian) scabies - consequences of late diagnosis in a medical ward** *Eça Guimarães L., Gonzalez D., Gonzalez F., Lemos R., Pinto T.* (Vila do Conde, Portugal)
34. **Value of transient elastography in patients with chronic hepatitis B** *Fernández-Fernández F.J., Arca-Blanco A., Lamas Ferreiro J.L., Camba-Estévez M., González Portela C., Vázquez-López S., De la Fuente-Aguado J.*
35. **Spontaneous bacterial peritonitis. Is it necessary to change empirical treatment?** *Fernández-Fernández F.J., Enríquez-Gómez H., Arca-Blanco A., Puerta-Louro R., Lamas-Ferreiro J.L., De la Fuente-Aguado J.*
36. **Community-acquired pneumonia in the very elderly description in an internal medicine ward** *Ferreira A.S., Pereira V., Rodrigues J.B., Silva M.J., Úria S., Silva G.* (Lisbon, Portugal)
37. **Portugal Legionnaires' outbreak – relationship between radiological findings and hypoxemia** *Ferreira B., Soares Z., Diaz E., Nunes G., Barata J.* (Vila Franca de Xira, Portugal)
38. **TB or not TB: that is the question** *Ferreira M., Ribeiro R., Bargiela I., Duarte C.* (Lisbon, Portugal)
39. **Tuberculous tonsillitis in a patient treated with an anti-TNF agent** *Ferreira S., Órfão T., Borges T., Chora I., Silva S., Marques Ribeiro P.V., Bettencourt P.* (Porto, Portugal)
40. **Seeing (is) what matters – a clinical case** *Ferreira Monteiro N., Guedes M., Soares M.M., Melo e Silva A.* (Lisbon, Portugal)
41. **A curious case of fever of unknown origin** *Frade L., Verdasca I., Alface M., Mousinho F., Cacheira E., Cunha A.R., Campos L.* (Lisbon, Portugal)
42. **Relying on intuition** *Franco S., Serpa M., Mira M., Gonçalves C., Silveira V., Evangelista V., Peixinho P., Baptista A., Graça J.* (Loures, Portugal)
43. **It's not only about opportunistic infections** *Fytily C., Tsilingiris D., Karamanacos G., Petsa P., Psychogiou M.* (Athens, Greece)

44. **Risk factors for recurrent *Clostridium difficile* infection** *García-Rosado D., Pérez-Ramírez A., Pérez-Hernández O., Fernández-Rodríguez C.M., Alemán-Valls R., Gómez-Sirvent J.L., Pelazas González R., Alonso Socas M.M.* (Tenerife, Spain)
45. **Differential diagnosis of low back pain: brucellosis** *Gil R., Soares D., Moura S., Nunes C., Brizuela J., Madureira E.* (Bragança, Portugal)
46. **Extrapulmonary tuberculosis. A challenging clinical case** *Gomes M.J., Alves S., Cruz T.* (Lisbon, Portugal)
47. **Acute necrotizing retinitis: a retrospective analysis at University hospital in Madrid** *Gómez Álvarez D.F., Valbuena Parra A.R., Ramirez Peñaherrera J., Arranz Caso J.A., De Miguel Prieto J., Gorroño Echebarria M.* (Madrid, Spain)
48. **Prevalence of dyslipidemia in HIV-infected patients in La Mancha Centro Hospital** *Guadalupe Risco A., Barberá J., Parra A., Casado C., Dominguez I.* (Alcazar de San Juan, Spain)
49. **Cat-scratch disease in a Portuguese hospital** *Henriques F., Frazão V., Fernandes C.* (Leiria, Portugal)
50. **Abdominal pain and fever: primary peritonitis by *Streptococcus pyogenes*** *Hernández-Roca J.J., Peláez Ballesta A.I., Lara-Martinez G., Fernández I., Peláez Ballesta C., Alonso G., Mateo R., Mené E.* (Lorca, Spain)
51. **Encrusting cystitis by *Corynebacterium urealyticum* infection. A case report** *Hernández-Roca J.J., Peláez Ballesta A.I., Peláez Ballesta C., Mateo R., Mené E.* (Lorca, Spain)
52. **Posaconazole as antifungal therapy in osteomyelitis and recurrent septic arthritis by *Candida tropicalis*** *Hernández-Roca J.J., Peláez Ballesta A.I., Peláez Ballesta C., Mateo R., Mené E.* (Lorca, Spain)
53. **Role of CD64 expression on neutrophils in the diagnosis of sepsis and the prediction of mortality in adult patients with community-acquired infections presenting with fever** *Logothetis D., Giourou E., Leotsinidis M., Theodorou G., Starakis I., Karakatza M., Gogos C.* (Patras, Greece)
54. ***Corynebacterium striatum* prosthetic aortic valve endocarditis - a case report and literature review** *Jacob M., Cunha F., Ferrão F., Dias M.* (Porto, Portugal)
55. **A case of acute enteritis due to typhoid fever in a Portuguese hospital** *Jardim S., Marques C.* (Lisbon, Portugal)
56. **Tuberculosis, a re-emerging disease in internal medicine departments** *Kechida M., Lorenzo Villalba N., Klii R., Alonso Ortiz M.B., Hammami S., Khochtali I.* (Las Palmas, Spain, Tunis, Tunisia)
57. **Enterovirus-induced acute respiratory distress syndrome in an immunocompetent adult with concomitant immune thrombocytopenia** *Leaman J., Burbridge A.* (Burton on Trent, United Kingdom)

58. **Case report: infective endocarditis of an implantable cardiac electronic device caused by *Enterococcus durans*** *Liaskos C., Tsilingiris D., Basoulis D., Fytili C., Psychogiou M., Moyssakis I., Daikos G.L.* (Athens, Greece)
59. **Ova and parasites in stools: clinical features and review of a series of 32 cases** *López Caleyá J.F., Solís Marquínez N., Curieses Luengo M., Fonseca Aizpuru E., Torreblanca A., et al.* (Gijón, Spain)
60. **Imported strongyloidiasis: epidemiological, clinical and laboratory characteristics in a regional hospital setting in Granollers, Barcelona** *Macorigh L., Zioga E., Berrocal M., Coll M., Martí C., Pulido M.A., Almuedo A., Ortiz A., Cuquet J., Bachs M.R.* (Barcelona, Spain)
61. **Severe malaria criteria: descriptive study of 57 patients who required admission to intensive care unit in Barcelona** *Marco-Hernández J., Reniu A.C., Nuñez O.R., Martínez C.Z., Ariño M.P., Muñoz J., et al.* (Barcelona, Spain)
62. **Adrenal crisis in a patient with scrufulosis** *Marinho C., Costa J., Rodrigues C., Azevedo L., Badura R.* (Lisbon, Portugal)
63. **Diabetic neuropathy and osteomyelitis** *Marques P., Coelho S., Monteiro R., Cunha S., Linhares D., Silva S.* (Porto, Portugal)
64. **Rare manifestation of miliary tuberculosis** *Marques Mendes E., Meireles Brandão L., Ribeiro C., Guerra D.* (Viana do Castelo, Portugal)
65. **Chlamydia trachomatis proctitis in homosexual HIV-infected patient** *Mascarenhas F.M., Muñoz A., Vera A., Del Aguila J.* (Elvas, Portugal, Badajoz, Spain)
66. **Etiology of fever of intermediate duration in a tertiary care hospital, 2008-2014** *Mateos A.M., Ragozzino S., Macías R., Barbosa A., Moralejo L., Ines S., Fuertes A.* (Salamanca, Spain)
67. **Acute Q fever with intensive care management** *Monteiro J.P., Correia J.P., Gouveia P., Teófilo T., Gonçalves S., Freitas P., Brazão M.L.* (Funchal, Portugal)
68. **An infectious cause of asystole in a young woman** *Mylona M., Pentazos G., Papaioannou P., Toskas P., Kouveletsou M., Toskas A., Liatis St.* (Athens, Greece)
69. **Clostridium septicum bacteremia in a diabetic patient presenting with abdominal pain** *Mylona M., Toskas P., Kouveletsou M., Machairas N., Damaskos Ch., Stamopoulos P., et al.* (Athens, Greece)
70. **Listeriosis mimicking relapse of temporal arteritis** *Mylona M., Toskas P., Pentazos G., Rigas I., Karamanacos G., Polyzois M., Toskas A.* (Athens, Greece)
71. **Splenic infarction associated with acute *Brucella mellitensis* infection** *Nasser M., Abu Ali Jalaa, Nassar Faris M.* (Nahariya, Israel)
72. **Methicillin-resistant *Staphylococcus aureus* at a department of infectious diseases in Lisbon 2001-3 and 2011-3** *Neno M.A., Badura R., Costa J., Ledo L., Simões A., Martins L., Melo Cristino J., Lito L., Caldeira L.* (Lisbon, Portugal)

73. **Tuberculosis - the obvious and the less obvious** *Oliveira J.M., Frutuoso J., Oliveira A., Barahona I., Cesário V., Pinto D., Lopes M., Vaz J.* (Beja, Portugal)
74. **Purulent pericardial effusion with cardiac tamponade secondary to methicillin-sensitive *Staphylococcus aureus* infection** *Oliveira J.M., Frutuoso J., Oliveira A., Pinto D., Duarte L., Sousa F., Mendes A., Lopes M., Vaz J.* (Beja, Portugal)
75. **Perceptions and attitudes of patients about adult vaccination and their vaccination status: still long way to go?** *Ozsisik L., Calik Basaran N., Gul Oz S., Sain Guven G., Durusu Tanriover M.* (Ankara, Turkey)
76. **Visceral leishmaniasis in an immunocompetent patient in Southern Europe** *Pardilhó A., Americano P., De Castro A.P., Lázaro M.* (Faro, Portugal)
77. **Necrotizing pneumonia caused by Pantón-Valentine leukocidin-producing methicillin-sensitive *Staphylococcus aureus*** *Peláez Ballesta A.I., Peláez Ballesta C., Hernández-Roca J.J., Mateo R., Mené E.* (Lorca, Spain)
78. **Psoas muscle abscess in a hemodialyzed patient: case report** *Pereira J.A., Vilaça J., Pedreira J., Silva M.F., Bettencourt P.* (Porto, Portugal)
79. **Infestation by *Blastocystis hominis*: to treat or not to treat** *Pinheiro I.M.* (Lisbon, Portugal)
80. **Endocarditis and spondylodiscitis caused by MRSA: clinical association** *Pinheiro I.M., Fernandes S., Roquette R., Menezes Falcão L.* (Lisbon, Portugal)
81. **Tuberculous meningitis: a diagnostic and therapeutic challenge** *Pintalhão M., Gomes C., Coelho S., Magalhaes H., Correia J., Amorim M., Lourenço P.* (Porto, Portugal)
82. **A huge clinical dilemma: immunosuppressants or antibiotics? A case report of visceral leishmaniasis** *Polania Zuleta G., Suescún Calderón F., Mascarenhas F.M., Carrera Bolaños L.C., Carvajal Ronderos E.J., Urbano Gálvez J.M., Escoto V., Del Aguila J., Barba M., Massalana A.* (Elvas, Portugal)
83. **Peritoneal tuberculosis in a Sudanese non-HIV immigrant patient** *Polyzos K., Basoulis D., Mylona M., Fytili C., Tsilingiris D., Liaskos C., Toskas P., Petsa P., Arvanitis M., Psychogiou M.* (Athens, Greece)
84. **Cytomegalovirus ileitis in an immunocompetent elderly woman** *Polyzos K., Fytili C., Kouveletsou M., Bassoulis D., Kokkinos A., Psychogiou M.* (Athens, Greece)
85. **Pneumonia: usefulness of a short-term mortality predictor to assess appropriate hospital admissions** *Prolo Acosta A., Sauchelli F., Barbosa Ventura A., Argenta Fernández S., Fernández C., Domínguez Moronta F.* (Salamanca, Spain)
86. **Mortality and length of stay in hospitalized patients with influenza infection during 2014-2015 season** *Pulfer M., Valdés Gross I., Andrés del Olmo B., Vela de la Cruz L., Galeano Valle F., Demelo Rodríguez P., Muñoz Delgado C., Jiménez Hinarejos I.* (Madrid, Spain)
87. **Acute transverse myelitis: a presentation of primary Human immunodeficiency virus infection** *Rafael A., Almendra R., Espírito Santo V., Gabriel J.P., Tavares S.* (Vila Real, Portugal)

88. **Infections by atypical Mycobacteria in patients with systemic lupus erythematosus** *Ragozzino S., Mateos A.M., Macías R., Barbosa A., Segovia P., Polo D., Siller M., Ternavasio H.G., Marcos M., Chamorro A.J.* (Salamanca, Spain)
89. **Leishmaniasis in a University hospital. Epidemiological analysis of cases diagnosed in the Hospital Principe de Asturias in Madrid in the period 1987–2012** *Ramírez Peñaherrera J., Pino Caridad J., Novella Mena M., Herrera Avila J., Pérez Cruz F., et al.* (Madrid, Spain)
90. **Anaerobic bacteremia: a clinical problem in internal medicine** *Ramos-Merino L., Vazquez-Rodriguez P., Castelo-Corral L.M.* (A Coruña, Spain)
91. **Prevalence of metabolic syndrome in HIV patients under highly active antiretroviral therapy at an outpatient clinic in Lisbon, Portugal** *Rodrigues C., Barrigoto C., Jesus J., Simões I., Caixas U., Germano I.* (Lisbon, Portugal)
92. **Metastatic human alveolar echinococcosis in Switzerland: a case report** *Rodríguez-Reimundes E., Nail L., Ibrahim Y., Chappuis F.* (Geneva, Switzerland)
93. **Descriptive study of HCV patients treated in the infectious diseases and digestive units in a secondary hospital in the last 5 years** *Rubio-Marín P., Cepero-León C., Blanco-Rodríguez M.J., Terrón-Pernía A., Alados-Arboledas J.C.* (Jerez de la Frontera, Spain)
94. **Treatment of Clostridium difficile infection in the Alcala de Henares Hospital (Jan/2014 –March/2015)** *Salazar Mujica C., Corps Fernández D., Arranz A., Muñoz Calvo B., Gutiérrez García A.* (Madrid, Spain)
95. **Pancytopenia as a manifestation of infective endocarditis** *Salvado N., Marinho C., Santos Pinheiro L., Lucas M., Victorino R.M.M.* (Lisbon, Portugal)
96. **Analysis of ulcers in patients admitted to an internal medicine** *Sánchez Cembellín M., Fdez Pantiga A., Ferreiro Celeiro J., Gallego Villalobos M., Iglesias Rguez B.* (Aviles, Spain)
97. **Double focal compression bandaging. Local pressure over the wound bed, this avoids application of antibiotics** *Sánchez Fernández de la Vega C.* (Lugo, Spain)
98. **Streptococcus pneumoniae - the great simulator** *Santos I., Isabel G., Vitor F., Paulo A., Salvo S., Marta G., Jorge P., Claudia J.* (Lisbon, Portugal)
99. **Diagnostic value of clinical predictors for tuberculosis before assessing a screening test** *Seifar F., Hejazi M.E., Ghaffari R., Esmaeilpour S., Rezvan P.S.* (Tabriz, Iran)
100. **Herpes simplex virus encephalitis – two case reports** *Sequeira J., Eça Guimarães L., Van der Heijden G.-J., Neves I., Vazquez D., Marques M., Gonzalez F., Pinto T.* (Vila do Conde, Portugal)
101. **Neurosyphilis in the modern era** *Serra J.T., Silva R., Duarte F.P., Aldomiro F.* (Amadora, Portugal)
102. **Atypical clinical presentation of pulmonary tuberculosis** *Silva N., Brás M., Pastor A., Ferreira R., Rodrigues É., Santos Silva R., Lopes M., Pereira I., Gonçalves A., Pereira A.* (Figueira da Foz, Portugal)

103. **Herpes meningoencephalitis in a patient with common variable immunodeficiency – case report** *Silva R., Cristino A.V., Silva N., Pais C., Salvador F., Faria T.* (Vila Real, Portugal)
104. **Mediastinitis and septic shock as complications of a periodontal abscess in a young patient** *Stefanopoulos A., Panoutsopoulos A., Mitropoulou M., Panourgia K., Loukina A., Pavlaki M., Rozi F., Mavras G.* (Argos, Greece)
105. **Atypical mycobacterial and respiratory infections: we think about them? Presentation of 3 unicentric cases** *Suarez Acosta C.E., Romero Fernandez E., Calvo E.* (Madrid, Spain)
106. **Antibiotic sometimes is not the right choice** *Teles L., Neto I., Macedo B.* (Santa Maria da Feira, Portugal)
107. **Cryptococcal meningoencephalitis as the first clinical manifestation in a patient with AIDS** *Tsilingiris D., Liaskos C., Basoulis D., Fytily C., Psychogiou M.* (Athens, Greece)
108. **Renal tolerability and efficacy of telaprevir-based triple therapy in HIV/HCV co-infected patients** *Valbuena-Parra A., Gómez-Alvarez D., Sanz-Moreno J., Arranz-Caso A., De Miguel-Prieto J.* (Madrid, Spain)
109. **Infective endocarditis: experience from a 3 year old hospital** *Valente R., Alvarenga M., Branco F., Rosado S., Gordinho A., Sousa M., Mesquita T., Araújo F., Pimenta da Graça J.* (Lisbon, Portugal)
110. **Spontaneous community-acquired Escherichia coli meningitis** *Valentim M., Ramalho J., Almeida S., Duarte M.M., Gameiro A.* (Santarem, Portugal)
111. **Human immunodeficiency virus epidemiology in Portalegre district** *Vargas S., Carvajal Ronderos E.J., Carrera Bolaños L.C., Cassama D., Almeida H.* (Portalegre, Elvas, Portugal)
112. **Pneumococcal pneumonia associated with laboratory-confirmed influenza hospitalizations during 2014-2015 season** *Vela de la Cruz L., Andrés del Olmo B., Jimenez Hinarejos I., Pulfer D., Valdes Gross I., Galeano Valle F., Demelo Rodríguez P., Muñoz Delgado C.* (Madrid, Spain)
113. **“Isn’t one enough?”** *Vieira V.F., Marcos P., Sousa L., Cunha S., Barroso M. do R., Fernandes C.* (Leiria, Portugal)
114. **Malaria – a global disease** *Vieira V.F., Rocha S., Ribeiro A.B., Rabadão E., Nazareth C., Da Cunha S., Barroso M. do R., Fernandes C.* (Leiria, Portugal)
115. **High prevalence of vitamin D deficiency in patients with HIV infection in the north of Spain** *Zarraga-Fernandez M.A., Rivas-Carmenado M.E., Martínez-García P., Arenas-García V., Gallego-Villalobos M., Ferreira-Celeiro J.* (Aviles, Spain)
116. **Potential impact of the introduction of direct-acting antiviral agents against HCV in a cohort of patients infected with controlled HIV in a hospital in the north of Spain** *Zarraga-Fernandez M.A., Zárraga-Mata C., Martínez-García P., Rivas-Carmenado M.E., Maderuelo-Riesco I., Ferreira-Celeiro J.* (Aviles, Spain)
117. **Larynx paracoccidioidomycosis in immunosuppressed patient: case report** *Zimmermann N. de A., Nora G. de A., Perini L.D., Ramos de Lima e Silva M., Prada P., Perez R.D.* (Blumenau, Brazil)
