Oncology

1. **Pleural effusion: two clinical cases of less frequent underlying malignancy** *Albuquerque I., Guerreiro I., Oliveira M., Pereira S.* (Porto, Portugal)
2. **An extremely rare presentation of metastatic small-cell lung carcinoma** *Alves S., Gomes M.J., Cruz T.* (Lisbon, Portugal)
3. **Hypercalcemia: while treatments do not respond** *Cabral C., Correia J., Capelo J., Monteiro A.* (Viseu, Portugal)
4. **Lymphoma nodal marginal zone** *Cabral C., Correia J., Capelo J., Monteiro A.* (Viseu, Portugal)
5. **More than just a sore back** *Cabral C., Correia J., Capelo J., Monteiro A.* (Viseu, Portugal)
6. **Symptomatic devaluation: a hidden diagnosis** *Campôa E., Machado V., Pinho R., Arez L.* (Portimão, Portugal)
7. **Mantle cell lymphoma: unexpected developments** *Campôa E., Pinho R., Arez L.* (Portimão, Portugal)
8. **Refractory hypokalemia and toxic epidermal necrolysis: a case report of adrenocortical carcinoma** *Correia C., Meng C., Chaves P., Bettencourt P.* (Porto, Portugal)
9. **ST-segment elevation: not always acute coronary syndrome** *Costa É., Meireles E., Rodrigues C., Teixeira T., Silva D.* (Santa Maria da Feira, Portugal)
10. **New method for biomarkers determination using a mass spectrometry-based electronic nose in saliva samples of patients with cancer** *Crisolino Pozas Á.P., Del Nogal Sánchez M., Callejo Gómez P.Á., Pérez Pavón J.L., Moreno Cordero B.* (Salamanca, Spain)
11. **Bone lytic lesions: what's it all about?** *Gomes C., Pintalhão M., Carneiro I., Lourenço P.* (Porto, Portugal)
12. **And it keeps on coming back: recurrence of hepatocellular carcinoma after liver transplant** *Gonçalves A.L., Pessegueiro H., Ferreira S., Gandara J., Lopes V.* (Porto, Portugal)
13. **Body mass index may predict the long-term outcomes of advanced gastric cancer** *Kim B.J., Kim J.G., Chi K.C., Park J.M., Kim M.K., Kim S.-J.* (Seoul, South Korea)
14. **Ewing's sarcoma in a department of internal medicine** *Kouveletsou M., Basoulis D., Tsilingiris D., Polyzos K., Diakoumopoulou E., Daikos G.L.* (Athens, Greece)
15. **Lung cancer simulating pulmonary tuberculosis** *Lages J.V., Pereira R., Vieira A.L., Lacerda C., Iglésias L., Cunha J.* (Braga, Portugal)
16. **Belaboring the obvious? Hypercalcemia due to primary hyperparathyroidism in cancer patients** *Liakou C.I., Hadjiyassemi L., Rigakos G., Tsimpidakis A., Lampropoulos S., Razis E.* (Athens, Greece)

17. **Carcinoid syndrome and occult neoplasm: a case report** *Matos A.L., Tavares J.P., Eugénio G., Leitão S., dos Santos R.M., Carvalho A.* (Coimbra, Portugal)
18. **Protective effects of curcumin and amifistine against gamma radiation-induced gastric mucosal damage: a light and electron microscopic study** *Mercantepe T., Kanter M., Uzal M.C., Alkaya F., Mercantepe F.* (Rize, Istanbul, Turkey)
19. **Against cisplatin-induced rat testes tissue damage, the protective effects of amifostine, curcumin and caffeic acid phenethyl ester levels of light and electron microscopic examination** *Mercantepe T., Unal D., Unal B., Mercantepe F.* (Rize, Erzurum, Turkey)
20. **Thrombotic thrombocytopenic purpura related to occult disseminated malignancy** *Pereira F.F., Pires da Rosa G., Costa A.E., Alves S.M., Silva M.J., Silva M.F.* (Porto, Portugal)
21. **Simultaneous presentation of tuberculosis and diffuse large B-cell lymphoma in an immunocompetent patient** *Pereira F.F., Pires da Rosa G., Silva M.J., Alves S.M., Sousa M.R., Antunes M.T.* (Porto, Portugal)
22. **A case of acute lymphoblastic leukemia presented with pathologic fractures** *Pinho F.S., Ladeira K., Nunes C., Azevedo L.A., Pereira R., Pinto L., Gonçalves F., Oliveira e Silva A.* (Braga, Portugal)
23. **mRNA gene expression of surviving, PDGFA, PDGFB, PDGFRA and PDGFRB in lung cancer cell lines** *Polonyfi A.V., Kapellos G.G., Iliadi I., Triantafyllou M., Kampouroupoulou O., Theophanis V., Londou S., Polyzos A., Mantzourani M.G.*
24. **Cardiac epithelioid hemangioendothelioma: unusual clinical presentation mimicking a systemic vasculitis** *Postacchini L., Tedesco S., Pomponio G., Manfredi L., Gabrielli A.* (Ancona, Italy)
25. **Hypercalcemia in a cancer patient - the importance of the diagnostic approach** *Pulido C., Vendrell I., Pinto C., Costa L.* (Lisbon, Portugal)
26. **Clinical report: esophageal cancer. A silent enemy** *Ramalho Rosado C.A., Carrera Bolaños L.C., Carvajal Ronderos E.J., Mascarenhas F.M., Alba J., Urbano Gálvez J.M., Escoto V., Barba M., Cordero A., Del Aguila J., Tavares I., Massalana A.* (Elvas, Portugal)
27. **Primitive neuroectodermal tumor in the spinal canal: a case report** *Ribeiro A., Silva A.L., Devezas V., Silva S., Bettencourt P.* (Porto, Portugal)
28. **Acute kidney injury by deposition of bilirubin in a patient with fulminant cholangiocarcinoma** *Salvado N., Santos Pinheiro L., Pires C., Victorino R.M.M., Lucas M.* (Lisbon, Portugal)
29. **A metastatic lung cancer case diagnosed due to postoperative hyponatremia** *Serin S., Karaoren G., Yesil E.E., Tatar K.K., Çakıt H., Karakoc E., Basat S.U.* (Istanbul, Turkey)
30. **Carcinoma of unknown primary... always a difficult challenge** *Silva I., Marques A.R., Carvalho A.* (Braga, Portugal)
31. **Pericardial and pleural effusion in an oncologic patient: a diagnostic challenge** *Simões J., Pestana J., Bettencourt P.* (Porto, Portugal)

32. **Lytic bone lesions: an unfortunate and atypical first presentation of thyroid cancer** *Staring G., Amaral B., Costa W., Monteiro F., Barracha I., Amorim R.* (Torres Vedras, Portugal)
33. **Thirty-four cases of intrahepatic cholangiocarcinoma: the experience of an internal medicine department** *Tavares J., Matos A., Machado L., Romão V., Calretas S., Santos A., Simão A., Leitão S., Leitão J., Silva N., Louro E., Vaio T., Santos R., Carvalho A.* (Coimbra, Portugal)
