

# Posters

## Others

1. **The relationship between serious illness risk and serum lactate levels in intensive care unit patients** *Abul Y., Önem Y., Çetindaglı I., Özalper V., Top C.* (Istanbul, Turkey)
2. **Comparison of arterial blood pressure measurement with oscillometric and Doppler ultrasonography for ankle-brachial index** *Arslan E., Kılınç A., Demirbaş Ş., Özçelik F., Akhan M., İlhan A., Sağlam K.* (Ankara, Erzincan, Turkey)
3. **Ultrastructural hallmarks of cell death in diabetic nephropathy** *Balasescu E., Cioplea M., Zurac S., Brinzea A., Ion D.A.* (Bucharest, Romania)
4. **Parotid gland swelling - a case report** *Balasescu E., Rusu L.M., Badea C.G., Tucu A.M., Lipan L., Obreja M.* (Bucharest, Romania)
5. **Prescription and adequate monitoring of intravenous fluid therapy in a tertiary hospital** *Beirão P., Martins J., Pereira A.P., Craveiro C., Pires I.* (Almada, Portugal)
6. **Pyogenic hepatic abscess in the caudate lobe** *Biskup E., Xiao-Yu Y.* (Shanghai, China)
7. **Peculiarities of cardiorenal syndrome in patients with chronic obstructive pulmonary disease** *Bolotova E.V., Dudnikova A.V., Kameneva E.S., Karanadze E.N., Pugach L.V., Gordeeva E.K.* (Krasnodar, Russian Federation)
8. **Should medical students practice cardio-pulmonary resuscitation for educational purposes on the newly dead following cardiac arrest?** *Burbridge A.* (Burton Upon Trent, United Kingdom)
9. **Smoking cessation as a part of our daily practice: Do we do it properly?** *Calik Basaran N., Ozisik L., Durusu Tanriover M., Gul Oz S., Sain Guven G.* (Ankara, Turkey)
10. **Overutilization of proton pump inhibitors and H2 receptor antagonists in hospitalized medical patients** *Calik Basaran N., Ozisik L., Emaratpardaz Z., Durusu Tanriover M., Gül Öz S.* (Ankara, Turkey)
11. **Alcohol: do they know how much is too much?** *Castiço I., Sosnovsky V., Freitas C.* (Beja, Portugal)
12. **Nutritional risk screening in a regional hospital. Conut prognostic index** *Castilla Yélamo J., Delgado Romero S., González Becerra C., Vergara Díaz M.A., Vidal Serrano S., et al.* (Sevilla, Spain)
13. **Immunosuppressed patients admitted to an intermediate care unit of internal medicine** *Chora I., Urbano J., Carvalho M., Braz V., Dias P., Rocha G., Friões F., Almeida J.* (Porto, Portugal)
14. **End-of-life care and the use of cardiopulmonary resuscitation in Europe – A survey of junior doctors' experiences** *Conway N., Lane N., Lovell B., Weidanz F.* (Bristol, Edinburgh, London, United Kingdom)

15. **A critical and evidence-based comparison of published guidelines on atrial fibrillation** *Costantino G., Podda G.M., Falsetti L., Marra A.M., Masala M., Davidson C., Iannone P., Montano N.* (Ancona, Milan, Italy)
16. **Evaluation and management of pain by physicians in an internal medicine department** *Crawford J., Marques B., Guilherme Magalhães F., Castro S.G., Antunes M., Gruner H., Riso N.* (Lisbon, Portugal)
17. **An unusual case of acute meningitis** *Del Olmo B.A., Demelo Rodríguez P., Muñoz Delgado C., Guil Torres M., Sanz Sanz F.J., Álvarez-Sala Walther L.* (Madrid, Spain)
18. **COMPORTE program for the chronic patients care in Aljarafe. Comparative analysis of population** *S. Delgado Romero (2), M.A. Vergara Díaz (2), S. Vidal Serrano (2), M. Poyato Borrego (2), J. Castilla Yélamo (2), J. Magallanes Gamboa (1), C. González Becerra (2), C. Escorial Moya (2), A. Fernandez Moyano (2), Maroto Vallejo I.* (Sevilla, Toledo, Spain)
19. **Cardiorenal interaction in hypertensive patients with type 2 diabetes mellitus** *Derevyanchenko M.V., Statsenko M.E.* (Volgograd, Russian Federation)
20. **Correction of endothelial dysfunction is an important goal for antihypertensive therapy in hypertensive patients with type 2 diabetes mellitus** *Derevyanchenko M.V., Statsenko M.E.* (Volgograd, Russian Federation)
21. **“The final countdown” – experience of 3 years** *Dias L., Leal-Seabra F., Fernandes P., Paixão A.I., Castelões P.* (Vila Nova de Gaia, Portugal)
22. **Erythrocyte sedimentation rate - marker of disease activity in systemic lupus erythematosus patients** *Dima A., Delcea C., Caraiola S., Jurcut C., Balanescu E., Badea C., Ramba D., Nicolau A., Ionescu R., Baicus C., Dan G.A.* (Bucharest, Romania)
23. **A case with hyperamylasemia thought to be associated with prednisolone use** *Dinc M., Aydogdu A., Erat Ç.F., Aslan E., Basaran Y., Haymana C., Taslipinar A., Sonmez Y.A., Yazici M., Azal O.* (Ankara, Turkey)
24. **Cardiovascular risk assessment in patients with chronic hepatitis C and various degrees of glucose tolerance** *Drăgut R.M., Rusu E., Nan R., Rusu F., Grosu L., Popescu H., Posea M., Stoicescu F., Radulian G.* (Bucharest, Romania)
25. **Hemorrhagic blisters as presentation feature of bullous pemphigoid** *Eça Guimarães L., Sequeira J., Gonzalez F., Lemos R., Pinto T.* (Vila do Conde, Portugal)
26. **Characterization of medical care in a tertiary Greek hospital** *Eliadi I., Tsoumi G., Polyzos A., Samarkos M.*
27. **HFE gene mutations, iron overload and hypertriglyceridemia** *Farid-Zahran M., Calvo B., Ramon M., Grimon A., Martín A., et al.* (Madrid, Spain)
28. **Living with cavernomatous transformation of the portal vein – a clinical case** *Fernandes R., Pinto S., Dias T., Mascarenhas J., Paixão Dias V.* (Vila Nova de Gaia, Porto, Portugal)

29. **Altered iron metabolism, head trauma and atrophy of hippocampus and corpus callosum among alcoholics** *Fernández-Rodríguez C., Romero-Acevedo L., Martín González C., Quintero-Platt G., Pérez-Hernández O., Pérez-Ramírez A., Martín Ponce E., González-Reimers E.* (Santa Cruz de Tenerife, Spain)
30. **Laryngeal papillomatosis in a patient with dysphonia, a case report** *Fernández Romero I., Lara Martínez G., Peláez Ballesta A.I., Tolefo Campillo C., Paredes R.M., Mené Fenor E.* (Lorca, Spain)
31. **DRESS syndrome - a case report** *Fidalgo C.M., Leal C., Bessa L., Guardado V., Malheiro J.* (Porto, Portugal)
32. **Smoking as risk factors for chronic non-communicable diseases among the working population of the Ryazan region (according to MERIDIAN-RO study)** *Filippov E.V., Yakushin S.S.* (Ryazan, Russian Federation)
33. **Study of the patient safety culture in health professionals of a Spanish internal medicine service (preliminary results)** *García-Aparicio J., Herrero-Herrero J.I.* (Salamanca, Spain)
34. **The internist teacher: adaptation of Peyton's four-step approach applied to chest radiography interpretation for Spanish medicine students** *García-Aparicio J., Herrero-Herrero J.I.* (Salamanca, Spain)
35. **Mesenteric panniculitis** *Gil R., Soares D., Pereira C., Brizuela J., Madureira E.* (Bragança, Portugal)
36. **Alcohol consumption modulates the association between the rs1746661 in the irisin gene and HDL-cholesterol in a Mediterranean population** *Godoy D., Ortega-Azorín C., Carrasco P., Asensio E.M., Barragán R., et al.* (Valencia, Spain)
37. **Genetic variation in the hepatic uridine diphosphate-glucuronyltransferase gene, bilirubin levels, type 2 diabetes and all-cause mortality in a Mediterranean population** *Godoy D., Sorlí J.V., Asensio E.M., Carrasco P., Barragán R., Ferriz E., Fernández-Carrion R., González-Monje I., Ortega-Azorín C., Ordovás J.M., Corella D., Coltell O.* (Valencia, Spain, Boston, USA)
38. **A challenging case of inflammatory myopathy** *Gomes V., Costa J., Ramalho J., Meireles M., Maciel R., Dias P., Almeida J.* (Porto, Portugal)
39. **Severe multiorgan involvement in systemic sclerosis** *Guimarães C.I., André S., Soares I., Mello e Silva A.* (Lisbon, Portugal)
40. **Palliative care in Egypt: the experience of the Gharbiah Cancer Society** *Hablas M.A.* (Tanta, Egypt)
41. **Prognostic value of physical function test in elderly hospitalized patients** *Hernández-Luis R., Hernández-Betancor I., Martín-Ponce E., Santolaria-Fernández F., Martín-González M.C., et al.* (La Laguna, Spain)

42. **Study of the perceptions, attitudes and uses of Spanish elderly chronic patients and caregivers on the Information and Communication Technology for health ("e-health")** *Herrero-Herrero J.I., García-Aparicio J.* (Salamanca, Spain)
43. **The internist teacher: development of a method of structured reflection to instruct in diagnostic abilities to Spanish medical students** *Herrero-Herrero J.I., García-Aparicio J.* (Salamanca, Spain)
44. **Palliative care in Republic of Macedonia** *Jakimovska J., Jordanovski L., Neloska L., Alabakovska L., Miljkovic L.V.* (Skopje, Republic of Macedonia)
45. **Characteristics of patients treated with oral anticoagulation when they are hospitalized in internal medicine** *Jauset Alcalá C., Martín Asenjo M., Silvagni Gutierrez H., Iglesias Gómez L., González Sarmiento E.* (Valladolid, Spain)
46. **Association between diabetes mellitus and dementia in geriatric patients** *Jordanovski L., Jakimovska J., Neloska L., Ivanovska M., Bundaleska O.* (Skopje, Republic of Macedonia)
47. **Prognosis of recovering from acute confusional syndrome** *Jorge-Ripper C., Alemán-Valls R., Rodríguez-Gaspar M., Hernández-Luis R., Pérez-Hernández O., Martín-González M.C., Fernández-Rodríguez C.M., Rodríguez-Rodríguez E.* (Tenerife, Spain)
48. **Preventive education for adolescent-adult pertussis: development of an SEIR model and e-learning materials, and student comprehension of them** *Kamano H., Nagao S., Mori T., Izumi C., Nozaki A., Mizoguchi Y., Bando C., Kumano T.* (Takamatsu, Japan)
49. **Sudden arrhythmias as a risk factor of cognitive disorders** *Klester E.B., Bessonova A.S., Timofeev A.V., Ivanov O.A.* (Barnaul, Russian Federation)
50. **Morbidity with temporary disability to work in employees of poultry farms in the Republic of Mordovia** *Kunyaeva T.A., Borisov G.F., Usanova A.A.* (Saransk, Russian Federation)
51. **Modified Early Warning Score and resource consumption** *La Regina M., Corsini F., Pacetti E., Scuotri L., Bonanni P., Marchese G., Orlandini F.* (La Spezia, Italy)
52. **Electronic medical records enhances clinical audits and research** *La Regina M., Costabile D., Corsini F., Pacetti E., Scuotri L., Bonanni P., Marchese G., Orlandini F.* (La Spezia, Italy)
53. **Physiological changes of brain death potential organ donors** *Leal-Seabra F., Dias L., Fernandes P., Paixão A.I., Castelões P.* (Vila Nova de Gaia, Portugal)
54. **A do not attempt resuscitation form does not mean do not treat** *Lee-Shrewsbury V., Burbridge A.* (Warwick, United Kingdom)
55. **Roux-en-Y gastric bypass is superior to sleeve gastrectomy in improving postprandial glycemia and lipid profile** *Liaskos C., Sergeantanis T., Psaltopoulou T., Fytily C., Tsilingiris D., Alexiadou K., et al.* (Athens, Greece)

56. **Serum homocysteine levels in patients with retinal vein occlusion** *Lisa Gracia M., Córdoba Alonso A., Napal J.J., García-Sardina R., Olmos J.M., Ruiz S., Sierra I., Hernández J.L.* (Santander, Spain)
57. **Living Will: a conflict between ethics and law** *Lopes A.E., Susana S.C.I.* (Vila Franca de Xira, Portugal)
58. **Pain assessment and adequate prescription inquiry in an internal medicine ward** *Lopes Rodrigues N., Marto D.M., Saraiva de Melo N.F., Salvado C.* (Lisbon, Portugal)
59. **Two years adenopathies experience study in an internal medicine high resolution out-patient clinic** *Lopez-de la Osa J., Lopez-Osle N., Chinesta J., Bielsa A., Gonzalez-Ehavarri C., Goiri J.M., Egurbide M.V.* (Barakaldo, Spain)
60. **Descriptive study of elderly patients above 80 years attended in out-patient clinic in an internal medicine tertiary hospital** *Lopez-Osle N., Lopez-de la Osa J., Rodrigues-Chinesta J., Bielsa A., Herraz J.R., Iza A., Garcia E. Egurbide M.V.* (Barakaldo, Spain)
61. **A case report of acute febrile neutophilic dermatosis** *Marques Mendes E., Bal A., Ribeiro C., Guerra D.* (Viana do Castelo, Portugal)
62. **Increased mortality in patients with enlarged red cell distribution width hospitalized in an internal medicine service** *Martín-Ponce E., Hernández-Betancor I., Hernández-Luis R., Viña-Rodríguez J., Ros-Vilamajó R., Durán-Castellón M.C., Rodríguez-Rodríguez E., Santolaria-Fernández F.* (La Laguna, Spain)
63. **Oxygen consumption determination administering benzituron** *Nacu O., Nuta A.M., Chiriac T.* (Chisinau, Republic of Moldova)
64. **Digital ulcers: the similarities between Buerger's disease and systemic sclerosis - case report** *Neto I., Santos M.* (Santa Maria da Feira, Portugal)
65. **Malnutrition and nutrition risk in elderly hospitalized patients, an internal unit experience** *Okuroğlu N., Ozdemir A., Abanonu G.B., Sertbas Y., Uner E., Silahtar O.* (Istanbul, Turkey)
66. **Atrial fibrillation and infrequent thromboembolic sites: two case reports** *Pais C.T., Cristino A.V., Costa A., Gonçalves H., Silva R., Carvalho S., Morais A., Faria A.T.* (Vila Real, Portugal)
67. **The ability of patients to define oral lesions and to find out oral lesion rates** *Polat İ., Susuz S., Hakan Göktepe M., Küçük A., Tunç R.* (Afyonkarahisar, Konya, Turkey)
68. **Pharmacomechanical thrombolysis in the treatment of ilio-femoral deep vein thrombosis** *Pulfer M., Demelo Rodríguez P., Jiménez Hinarejos I., Vela De La Cruz L., Del Toro Cervera J., Echenagusía Boyra M., Camúñez Alonso F., González Leyte M., Álvarez A.* (Madrid, Spain)
69. **A rare case of hypertension** *Rodrigues J., Coimbra A., Matos A., Mendes F.* (Lisbon, Portugal)
70. **Case of a massive abdominal swelling: mesenteric pseudocyst** *Rosado C.R., Marto G., Machado D., Esteves J., Moreira R., Neves C.* (Aveiro, Portugal)

71. **Cooperative management of hip fracture. Results along one year after the implementation of orthogeriatric program** Rubio Plana V., García Morán A., García Vallina A., Fernández Regueiro R., Solís Marquínez N., et al. (Gijón, Barcelona, Spain)
72. **Main differences between training programs. An international survey** Ruiz-Sada P., Ángel López De la Osa J., Niño Aragón E., Barbu M.-L., Zanella Terrier M.-C., Galea D. (Bilbao, Barcelona, Spain, Bucharest, Romania, Geneva, Switzerland, Malta)
73. **Venous congenital malformations - a rare pathology** Rusu L.M., Matura T., Balasescu E., Obreja M. (Bucharest, Romania)
74. **Pneumoperitoneum, a rare diagnosis – 2 case reports** Santos I., Luis V. (Lisbon, Portugal)
75. **Compliance of venous thromboembolism prophylaxis in internal medicine ward, a prospective study** Santos M., Freitas A.R., Patinha F., Oliveira S., Sousa E. (Porto, Portugal)
76. **DRESS syndrome due to carbamazepine** Santos T., Croca S., Nunes I.M., Carvalho L. (Lisbon, Portugal)
77. **Sarcoidosis - the strange facets of a disease full of unknowns** Silva I., Sousa A., Santos A.S., Caldas C., Carvalho A.C., Sarmiento A. (Porto, Portugal)
78. **Allopurinol associated DRESS** Silva M.J., Pereira F., Rodrigues Sousa M., Antunes T. (Porto, Portugal)
79. **Assessing the nutritional risk of hospitalized patients in an internal medicine ward** Soares P., Oliveira J., Grilo A.M., Lopes M., Reina J., Vaz J. (Beja, Portugal)
80. **Concomitant renal and splenic infarction: uncommon complication of atrial fibrillation and hyperhomocysteinemia** Soares Z., Da Cruz D., Louro J., Reis M., Barata J. (Vila Franca de Xira, Portugal)
81. **Bone Paget's disease: when other comorbidities hide the diagnosis** Sotto Mayor J., Pacheco A.P., Santos R., Esperança S., Oliveira e Silva A. (Braga, Portugal)
82. **Carotid involvement in patients with atherosclerotic lower extremity artery disease** Stan A.A. (Targu-Mures, Romania)
83. **Diagnostic and therapeutic challenge of asymmetric lower extremity edema** Stan A.C., Petrasescu V., Tudor I. (Bucharest, Romania)
84. **Arterial hypertension in women with early rheumatoid arthritis** Starodubova J.N., Osipova I.V., Sopotova I.V. (Barnaul, Russian Federation)
85. **Evolution of the relationship between glycemic status at type 2 diabetic and carotid intima media thickness and the rate of neutrophil/lymphocytes** Susuz S., Polat I., Özüğuz U. (Afyonkarahisar, Turkey)
86. **Lung function of Latvian patients with a newly diagnosed sarcoidosis** Tarcinska R., Baklasova A., Ruža I., Krams A. (Riga, Latvia)
87. **Rehabilitation in intensive care unit: a protocol for auditing current practice (RE-BREATH: REaBilitation of REspiratory failure AudiT in Hospital)** Tedesco S., Papa

- R., Coccia M., Bramucci S., Martini C., Tirabassi F., Serafini G., Postacchini L., Manfredi L., Pomponio G. (Ancona, Italy)*
88. **A rare cause of rhabdomyolysis** *Toskas P., Mylona M., Kouveletsou M., Theodosopoulos I., Liatis St. (Athens, Greece)*
89. **Hypomagnesemia due to long-term use of proton pump inhibitors** *Toskas P., Mylona M., Theodosopoulos I., Kouveletsou M., Toskas A. (Athens, Greece)*
90. **Palliative needs in an internal medicine ward** *Vasconcelos P., Cruz T., Bragança N. (Amadora, Portugal)*
91. **Severe deficit of vitamin D and plaque psoriasis, a casual relationship?** *Vázquez D., Eça Guimarães L., Neves I.A., Marques M., Sousa S., Miguel S., Pinto T. (Vila do Conde, Portugal)*
92. **The main reasons of fatal outcome in cases of internal diseases comorbidity** *Vertkin A.L., Nosova A.V., Naumov A.V., Khovasova N.O. (Moscow, Russian Federation)*
93. **Health indicators in palliative care unit** *Vidal Serrano S., Fernández Sosbilla J.M., Perez Ramos, Vergara Díaz M.A., Poyato Borrego M., Delgado Romero S., Castilla Yelamo J., Escorial Moya C. (Seville, Spain)*
94. **Drugs interactions with dietary and herbal supplements in hospitalized patients** *Yovanovich E., Ben-Arye E., Goldstein L., Attias S., Schiff E. (Haifa, Israel)*
95. **Febrile syndrome... that ceases to be undetermined!** *Zelinová J., Reis S., Marques A., Peres G., Nobre L. (Cascais, Portugal)*
