

Cardiology

Quality of anticoagulation with warfarin in patients with atrial fibrillation and venous thromboembolism

Anikin G.S., Andreevskaya E.M., Sharapova E.I. (Moscow, Russian Federation)

Prediction of vascular events in remote period in patients after myocardial revascularization and myocardial infarction *Aretinskiy V.B., Gurvich V.B., Mazyrina M.V., Budkar L.N., Karpova E.A.* (Yekaterinburg, Russian Federation)

Potential benefit of heart rate reduction in hypertensive patients with short-term atrial fibrillation and arterial stiffness

Balabanenko I.M., Shavarov A.A., Kiyakbaev G.K. (Moscow, Russian Federation)

Comparative influence of metoprolol and diltiazem on central hemodynamics in hypertensive patients with atrial fibrillation

Balabanenko I.M., Shavarov A.A., Kiyakbaev G.K., Moiseev V.S. (Moscow, Russian Federation)

Effects of amlodipine on cardiac and renal hemodynamic in patients with ankylosing spondylitis with the presence of arterial hypertension

Bobrikova D.A., Malykh I.A., Kuzmina E.N., Klyashev S.M., Klyasheva Y.M. (Tyumen, Russian Federation)

Predicting new-onset atrial fibrillation after coronary artery bypass surgery

Boeva O.I., Kolesnikov V.N., Yagoda A.V., Ivanenko A.S. (Stavropol, Russian Federation)

Using the index of cystatin C in the diagnosis of early stages of chronic kidney disease in patients with chronic heart failure

Borovkova N.Yu., Kuznetsova T.E., Seropyan M.Y., Nistratova M.P. (Nizhny Novgorod, Russian Federation)

Functional state of kidneys in case of chronic heart failure in patients with manifestations of atrial fibrillation

Borovkova N.Yu., Lomakina T.A., Koroleva T.V. (Nizhny Novgorod, Russian Federation)

Diagnostics of acute kidney injury in patients with acute coronary syndrome in real clinical practice

Borovkova N.Yu., Spassky A.A., Borovkov N.N., Ilyina A.S., Voennov O.V. (Nizhny Novgorod, Moscow, Russian Federation)

Clinical and immunological features of left ventricular diastolic dysfunction formation in workers at high risk of dust pathology *Budkar L.N., Gurvich V.B., Karpova E.A., Obukhova T.Yu.* (Yekaterinburg, Russian Federation)

Dilated cardiomyopathy in cardiovascular diseases morbidity patterns

Buyanova M.V., Borovkova N.Yu., Golitsyna N.A. (Nizhny Novgorod, Russian Federation)

Impact of polymorphisms of the CYP2C9 gene on maintenance Warfarin dose in the ethnogeographically distinct populations of Russians and Sakha (Yakuts)

Chertovskikh Y.V., Maksimova N.R., Popova N.V., Sychev D.A., Malova E.U. (Yakutsk, Moscow, Russian Federation)

Prevalence of behavioral risk factors cardiovascular disease among students receiving higher education

Dekhar V.V., Osipov A.G., Makarova L.F., Denisova D.V., Osipova I.V. (Barnaul, Novosibirsk, Russian Federation)

Psychosocial risk factors for heart disease among students in a metropolis

Dekhar V.V., Osipov A.G., Makarova L.F., Denisova D.V., Osipova I.V. (Barnaul, Novosibirsk, Russian Federation)

Red yeast Chinese rice - effect on lipid parameters in primary prevention and statin intolerant patients

Eber M., Charwat-Resl S., Helmreich W., Pecnik P., Sartori S., Suppan M., Zittmayr A., Eber B. (Wels, Austria)

Analysis of oral anticoagulants application in real clinical practice in patients with non-Comorbidity and adherence to treatment in patients with chronic heart failure

Efremova E.V., Shutov A.M., Serova D.V. (Ulyanovsk, Russian Federation)

Treatment of acute decompensated heart failure with levosimendan

Fedorova K.V., Borovkova N.Yu., Fedorova M.V., Golitsyna N.A. (Nizhny Novgorod, Russian Federation)

Blood pressure variability as a criterion of efficiency of antihypertensive therapy

Glukhova T.V., Solgalova S.A., Znamenskaya I.A., Putrenok L.S. (Stavropol, Russian Federation)

Cardiovascular complications in patients with non-small cell lung cancer in combined treatment using neoadjuvant cisplatin-based chemotherapy

Grigorieva E.D., Rybas A.V., Rybas A.N. (Stavropol, Russian Federation)

Mortality from acute myocardial infarction in the Aktobe region of Kazakhstan

Igisinov N.S., Zholdin B., Kydyrbayev A.M. (Aktobe, Kazakhstan)

Acute coronary syndrome without obstructive coronary atherosclerosis in clinical practice

Khlevchuk T., Popova L.V., Axenova M., Kireev S., Klimovskiy S., Ilich A.V. (Moscow, Russian Federation)

Reduced bone mineral density as additional marker of cardiovascular remodeling in postmenopausal women

Khoziainova N.Y., Tsareva V.M. (Moscow, Russian Federation)

Prodromal symptoms and ECG criteria of sudden coronary death development among cardiological patients

Kirillov V.V. (Moscow, Russian Federation)

Functional condition of the endothelium in patients with arterial hypertension in the conditions of high mountains

Kurdanova M.H., Beslaneev I.A., Batyrbekova L.M., Kurdanov H.A. (Nalchik, Russian Federation)

Cardiovascular involvement in a Behçet disease

Larbi T., Gharbi E., Abdelkefi C., El Ouni A., Bouslema K., Hamzaoui S., M'rad S. (Tunis, Tunisia)

Myocarditis as the mean feature of eosinophilic granulomatosis with polyangiitis

Larbi T., Zeineb T., El Ouni A., Bouslema K., Hamzaoui S., M'rad S. (Tunis, Tunisia)

Anemic syndrome among chronic heart failure patients

Larina V.N., Bart B.Y. (Moscow, Russian Federation)

Osteopenic syndrome in chronic heart failure

Larina V.N., Karpenko D.G., Raspopova T.N. (Moscow, Russian Federation)

Pharmacoepidemiology of arterial hypertension in Russia (PIFAGOR IV study)

Leonova M.V., Belousov Y.B., Shteinberg L.L., Alimova E.E., Smirnova E.P., Belousov D.Y. (Moscow, Russian Federation)

Clinical implications of autoimmune diseases in acute coronary syndrome

Lozano N., Marras Fernández-Cid C., Castillo Navarro A.M., Pastor Perez F., Flores Blanco P., Gomez Molina M., Lopez Cuenca A., Bermudez Torrente A., Angosto F., Manzano-Fernández S. (Murcia, Spain)

The clinical efficacy of combination drug therapy in patients with concomitant cardiovascular pathology in the secondary prevention of cardiovascular complications

Luneva J.V., Bezuglova E.I., Povetkin S.V., Filippenko N.G., Kolomiets V.I. (Kursk, Russian Federation)

Optimal values of systolic arterial pressure in senior and elderly patients

Martynov A.I., Gorokhovskaya G.N., Martynov D.A. (Moscow, Russian Federation)

Pulmonary arterial hypertension - therapeutic approach of a clinical case

Melo Alvim C., Menezes Falcão L., Valido A., Marçalo J.C., Isaac J., Tabora R. (Lisbon, Portugal)

Vegetative regulation of heart rhythm at men older than 70 years old

Mikhaylov A.A., Spassky A.A., Eremina Yu.N. (Moscow, Russian Federation)

Pericarditis in adult onset Still's disease

Mrouki M., Larbi T., El Ouni A., Bouslama K., Hamzaoui S., Mrad S. (La Marsa, Tunisia)

Prevalence of novel risk factors among young patients with acute coronary syndrome in Eastern India

Mukherjee S., Manna K., Datta S., Sharma R.K. (Kolkata, India)

Dispensary disease after conservative or surgical treatment

Nomokonova E.A., Elykomov V.A., Efremushkina A.A., Kiseleva E.V., Rudakova D.M. (Barnaul, Russian Federation)

Thrombinemia parameters of the patients with chronic ischemic heart disease before and after coronary artery bypass grafting

Nomokonova E.A., Elykomov V.A., Efremushkina A.A., Momot A.P. (Barnaul, Russian Federation)

The registry of patients with chronic ischemic heart disease in the Altai region

Nomokonova E.A., Elykomov V.A., Efremushkina A.A., Nedoseko K.V. (Barnaul, Russian Federation)

Long-term variability of diastolic blood pressure of from visit to visit and sensitivity to salt as early markers of masked hypertension

Osipova I.V., Miroshnichenko A.I., Kulikov V.P., Antropova O.N., Pyrikova N.V., Zaltsman A.G., Aleksenceva A.V. (Barnaul, Russian Federation)

Correction of erectile function and depression in hypertensive patients with natural origin medication “Eromax”

Petrova E.V., Shutov A.M., Vakina T.N. (Penza, Ulyanovsk, Russian Federation)

Post-capillary pulmonary hypertension in the patient with severe biatrial dilation

Pintalhão M., Mesquita R., Faceira A., Pereira C., Coimbra J., Amorim M., Vasconcelos M., Pimenta J., Bettencourt P. (Porto, Portugal)

Relationship between ventricular arrhythmias and the QT interval in ischemic stroke

Prekina V.I., Samolkina O.G., Esina M.V., Efremova O.N. (Saransk, Russian Federation)

PREvalence and SENSivity for Cardiac Ischemic Arteriopathy of Frank sign (PRESENCIA-FRANK). Preliminary results

Ramírez M.R., Durán M., Más M., Alarcón B., García M., Márquez J., Tikhomirova L. (Tarragona, Spain)

Characteristics of patients in advanced stages heart failure

Rodríguez Torres D.J., Ramos Sesma V., Garía Pereña L., López-Fernandez S. (Granada, Spain)

Inflammatory markers and adipokines in patients with metabolic syndrome in the presence or absence of coronary heart disease

Rudakova D.M., Efremushkina A.A., Nomokonova E.A. (Barnaul, Russian Federation)

Carotid intima-media thickness and inflammation markers in individuals with cardiovascular risk factors

Shavrin A.P., Khovaeva Ya.B., Ermachkova L.V. (Perm, Russian Federation)

Relationship between intima-media thickness with blood pressure and vascular microinflammation

Shavrin A.P., Khovaeva Ya.B., Ermachkova L.V. (Perm, Russian Federation)

Analysis of structure of a cardiac rhythm at patients with ACS and paroxysmal atrial fibrillation after carrying out electrical cardioversion

Spassky A.A., Mikhaylov A.A., Eremina Yu.N., Bobyleva T.A. (Moscow, Russian Federation)

Original physical rehabilitation program at patients with ST segment elevation myocardial infarction and percutaneous coronary intervention

Sujayeva V.A., Sudzhayeva S.G., Gubitch T.S., Kazaeva N.A. (Minsk, Republic of Belarus)

Sleep quality in young men with natural history of arterial hypertension is related with diastolic blood pressure, heart rate and heart rate variability

Tcarev N.N., Venevtseva Y.L., Melnikov A., Kazidaeva E. (Tula, Russian Federation)

Long-term results of left main coronary artery PCI in STEMI setting

Terentev V.P., Khripun A.V., Malevannyi M.V., Kulikovkikh Ya.V. (Rostov-on-Don, Russian Federation)

Long-term outcomes of different strategies of revascularization of STEMI patients with multivessel coronary artery disease

Terentev V.P., Khripun A.V., Malevannyi M.V., Kulikovkikh Ya.V., Chistyakova V.V. (Rostov-on-Don, Russian Federation)

Outcomes of pharmaco-invasive reperfusion strategy in STEMI patients

Terentev V.P., Khripun A.V., Malevannyi M.V., Kulikovkikh Ya.V., Chistyakova V.V. (Rostov-on-Don, Russian Federation)

Analysis of oral anticoagulants application in real clinical practice in patients with non-valvular atrial fibrillation

Ustinova O.I., Borovkova N.Yu., Golitsyna N.A., Ilyina A.S. (Nizhny Novgorod, Russian Federation)

Concept of peripartum cardiomyopathy formation

Yagoda A.V., Gladkikh N.N., Znamenskaya I.A. (Stavropol, Russian Federation)
