

Gastroenterology

Prolonged-release torasemide on edema and ascites in patients with cirrhosis

Balashova A.A., Arisheva O.S., Garmash I.V., Kobalava Z.D., Moiseev V.S. (Moscow, Russian Federation)

Microbiocenosis condition of a small and large intestine at the patients with a primary immunodeficiency

Bashtovaya O.A., Iakovlev A.A., Siziakina L.P., Andreeva I.I., Ghazudin T. (Rostov-on-Don, Russian Federation)

Mean platelet volume and FIB4 index correlation in patients with ultrasonographic grade 0-3 hepatosteatosis

Dalbeler A.G., Sertbas Y., Okuroglu N., Tuzer O.C., Komoglu S., Ozdemir A. (Istanbul, Turkey)

Hydrogen breath test to assess the effectiveness of non-absorbable antibiotic rifaximin the treatment of ulcerative colitis

Iakovlev A.A., Volkov A.S., Stolyarova I.G., Piskovets V.A., Morozova A.V., Ghazudin T., Kuzmina J. (Rostov-on-Don, Russian Federation)

Effect of correction of nutritional deficiency and prognosis of remission in inflammatory bowel diseases

Kazaryan T.S., Iakovlev A.A., Riabkina E.A. (Rostov-on-Don, Russian Federation)

Regional peculiarities of the course of Crohn's disease depending on the patients' age

Khlynova O.V., Stepina E.A., Kuposova K.A., Tuev A.V. (Perm, Russian Federation)

Duplex scanning of the liver's vessels as a method of studying the fibrosis

Khlynova O.V., Tuev A.V., Vasilets L.M. (Perm, Russian Federation)

Epidemiology of upper GI bleeding in southern Israel

Kliuev R., Novokhatko G., Grisco O., Khader M., Haver S., Dov G., Polishchuk I., Zamir M., Zamir D. (Ashkelon, Israel)

Drug-induced liver injury in an Israeli hospital

Kliuev R., Novokhatko G., Grisco O., Khader M., Haver S., Zamir M., Dov G., Polishchuk I., Zamir D. (Ashkelon, Israel)

Starting as a stroke, ending as Crohn's disease

Magalhães R., Vilela Oliveira J., Rocha M., Caridade S. (Braga, Portugal)

Bacterial overgrowth syndrome and modification of protocol treatment of severe ulcerative colitis

Morozova A.V., Ghazudin T., Stolyarova I.G., Volkov A.S., Iakovlev A.A., Bashtovaya O.A., Kuzmina J. (Rostov-on-Don, Russian Federation)

Effectiveness of ultrasonography in the early diagnosis of gastroesophageal reflux disease

Palenui A.I., Nelassov N.Yu., Iakovlev A.A., Mezhueva E. (Rostov-on-Don, Russian Federation)

Evaluation of structural and functional cardiac changes in patients in relation to the severity of alcoholic cirrhosis

Romanova V.A., Goncharov A.S., Arisheva O.S., Garmash I.V., Moiseev V.S. (Moscow, Russian Federation)

Left ventricular global longitudinal strain in patients with alcoholic liver cirrhosis

Romanova V.A., Goncharov A.S., Arisheva O.S., Garmash I.V., Moiseev V.S. (Moscow, Russian Federation)

Levofloxacin induced severe hepatitis

Ruiz-Sada P., Ramos Merino L. (Bilbao, La Coruña, Spain)

Clinical efficacy of biological therapy anticytokine achieving of stable remission in patients with severe ulcerative colitis

Stoliarova I.G., Volkov A.S., Iakovlev A.A., Morozova A.V., Kuzmina J., Ghazudin T. (Rostov-on-Don, Russian Federation)

Frequency of disaccharidase deficiency in patients with severe ulcerative colitis

Stoliarova I.G., Volkov A.S., Iakovlev A.A., Morozova A.V., Kuzmina J., Ghazudin T. (Rostov-on-Don, Russian Federation)

Clinical effectiveness of non-invasive diagnosis of Crohn's disease

Volkov A.S., Karkoshka T.A., Nelassov N.Yu., Iakovlev A.A. (Rostov-on-Don, Russian Federation)

Proteomic analysis of the interaction of apoptosis and intestinal microbiota in patients with ulcerative colitis

Volkov A.S., Stolyarova I.G., Iakovlev A.A., Ghazudin T. (Rostov-on-Don, Russian Federation)
