

Posters

Endocrinology

1. **Aging and obesity** Akbas F., Usta Atmaca H., Sametoglu F., Boz M. (Istanbul, Turkey)
2. **Microalbuminuria as a cardiovascular risk factor in obesity** Akbas F., Usta Atmaca H., Karabag T., Sametoglu F., Piskinpasa E., Boz M. (Istanbul, Turkey)
3. **Lipid metabolism and testosterone status at men with type 2 diabetes mellitus at the religious fasting** Ametov A.S., Kamynina L.L., Rozhdestvenskaia O.A. (Moscow, Russian Federation)
4. **Can liraglutide improve the renal function in type 2 diabetes mellitus?** Arderius M., Alves M., Fortes D., Gomez N., Rocha C., Nunes Da Silva G., Jordao A. (Lisbon, Portugal)
5. **A case of acromegaly presenting with peripheral neuropathy** Ay S.A., Basköy K., Hancerli Y., Deniz F., Yonem A. (Istanbul, Turkey)
6. **A case of metastatic pulmonary carcinoid associated with ectopic ACTH-dependent Cushing's syndrome** Ay S.A., Basköy K., Hancerli Y., Deniz F., Yonem A. (Istanbul, Turkey)
7. **A case of secondary hypertension completely cured with adrenalectomy: importance of investigation of secondary causes of hypertension in a young patient** Ay S.A., Basköy K., Hancerli Y., Deniz F., Yonem A. (Istanbul, Turkey)
8. **Diabetes mellitus and patients with severe disability – a retrospective observational study** Barbosa A.R., Canelas M.A., Machado C., Fonseca T., Mondragão A., Pipa S., Rigor J., Silva J., Andrade L., Suarez E., Paixão Dias V. (Vila Nova de Gaia, Portugal)
9. **Diabetes mellitus, cardiovascular risk and macrovascular complications – retrospective observing study** Barbosa A.R., Canelas M.A., Machado C., Fonseca T., Mondragão A., Pipa S., Rigor J., Silva J., Andrade L., Suarez E., Paixão Dias V. (Vila Nova de Gaia, Portugal)
10. **Elevation in carcinoembryonic antigen levels, sometimes it's thyroid!** Barreira J.S., Gomes A.R., Carvalho M.R., Mascarenhas M. (Lisboa, Portugal)
11. **Cerebral venous thrombosis during diabetic ketoacidosis: case report** Basat S.U., Serin S., Kelleci U.A., Koc G., Yalcin D. (Istanbul, Turkey)
12. **A case of ACTH-independent Cushing's syndrome: which patients should be screened for Cushing's syndrome?** Basköy K., Ay S.A., Çetindağlı I., Deniz F., Yonem A. (Istanbul, Turkey)
13. **A rare combination: Graves' disease with incidental papillary thyroid cancer** Basköy K., Ay S.A., Hancerli Y., Deniz F., Yonem A. (Istanbul, Turkey)
14. **A case of idiopathic hypogonadotropic hypogonadism with monostatic fibrous dysplasia mimicking McCune-Albright syndrome** Basköy K., Ay S.A., Ozsari L., Deniz F., Yonem A. (Istanbul, Turkey)

15. **Clinical and laboratory features of the metabolic syndrome of patients from Khakassia** *Berseneva O.A., Rossova N.A., Ageeva E.S., Kilina O.Y.* (Abakan, Russian Federation)
16. **A curious case: what is behind this hyponatremia?** *Cacheira E., Verdasca I., Mousinho F., Frade L., Alface M., Guerreiro R., Cunha A.R., Campos L.* (Lisbon, Portugal)
17. **Chronic kidney disease prevalence in diabetic patients admitted in an internal medicine ward** *Canelas M.A., Machado C., Barbosa A.R., Fonseca T., Rigor J., Pipa S., Mondragão A., Silva J., Andrade L., Suarez E., Dias V.P.* (Vila Nova de Gaia, Portugal)
18. **Retrospective study of diabetic patients admitted in an internal medicine ward** *Canelas M.A., Machado C., Barbosa A.R., Pipa S., Rigor J., Fonseca T., Mondragão A., Silva J., Andrade L., Suarez E., Dias V.P.* (Vila Nova de Gaia, Portugal)
19. **Relationship between body mass index and intraocular pressure in men and women. A population-based study** *Cohen E., Kramer M., Shochat T., Goldberg E., Garty M., Krause I.* (Petah Tikva, Israel)
20. **Relationship between serum glucose levels and intraocular pressure in men and women. A population-based study** *Cohen E., Kramer M., Shochat T., Goldberg E., Garty M., Krause I.* (Petah Tikva, Israel)
21. **A case of giant parathyroid adenoma displacing trachea in patient with primary hyperparathyroidism** *Deniz F., Basköy K., Ay S.A., Hancerli Y., Yonem A.* (Istanbul, Turkey)
22. **Klippel Trenaunay syndrome: a rare cause of extremity overgrowth** *Dinc M., Aydogdu A., Aslan E., Sönmez Y.A., Basaran Y., Haymana C., Taslipinar A., Yazici M., Azal O.* (Ankara, Turkey)
23. **Pure state of obesity: endocrine, hematologic, gastrointestinal, and other complications** *Fernandes M., Figueiredo I., Lavado P., Iacomini P., Sabino V., Pereira C.* (Lisbon, Portugal)
24. **Pituitary incidentaloma - a case report** *Freire S., Barreira J., Simas N., Barbosa D., Brysch E., Fernandes Santos C., Velhinho E.* (Lisbon, Portugal)
25. **It is only subacute thyroiditis not malignancy or Mycobacterium tuberculosis** *Hancerli Y., Basbug B., Cetindagli I., Ozalper V., Onem Y.* (Istanbul, Turkey)
26. **Plasma urotensin II concentration in gestational diabetes** *Hursitoglu M., Ekiz A., Mete F., Okuturlar Y., Kocoglu H., et al.* (Istanbul, Turkey)
27. **A case report: malignant bilateral adrenal masses found incidentally in a septic patient** *Iesalniece S., Rezevska D., Mickevica E., Ruža I.* (Riga, Latvia)
28. **A case report: hyponatremia as the first presentation of empty sella syndrome with secondary adrenal insufficiency and primary hypothyroidism** *Iesalniece S., Upmale S., Māliņa J., Ruža I.* (Riga, Latvia)
29. **Massive gastrointestinal bleeding associated with ectopic Cushing's syndrome** *Jubran A., Lavie G., Galili R., Cohen S., Gershinsky M.* (Haifa, Israel)

30. **Non-compliance of the diagnostic algorithm of hyperandrogenism as the cause of iatrogenia** *Kanaeva S.A., Volkova N.I., Davidenko I.U., Porksheyan M.I., Reshetnikov I.B.* (Rostov-on-Don, Russian Federation)
31. **Metformin therapy can be delayed for vitamin B12?** *Keskin L., Basaran C., Nalbantoglu O., Yigit I.P.* (Malatya, Turkey)
32. **Study of motor nerve conduction velocity in patients of thyroid dysfunction in central India** *Kitey P., Taksande A.* (Wardha, India)
33. **The role of inflammasome in macrovascular complications in type 2 diabetes patients** *Klen J., Goričar K., Dolžan V., Janež A.* (Trbovlje, Slovenia)
34. **Ethnic aspects of personalized medicine** *Kolesnikov S.I., Kolesnikova L.I., Grebenkina L.A., Darenskaya M.A., Bairova T.A., Madaeva I.M.* (Irkutsk, Russian Federation)
35. **Rhabdomyolysis and multiple serous effusions due to hypothyroidism** *Kouveletsou M., Fytily C., Tsilingiris D., Mylona M., Toskas P., Toskas A.* (Athens, Greece)
36. **Prevalence of dermatological changes in diabetic patients and their association with age, sex, disease duration, treatment and compensation level** *Kramica K., Ruža I.* (Riga, Latvia)
37. **Prevalence of metabolic complications and their association with disease control indicators in a cohort of diabetic patients** *Kramica K., Ruža I.* (Riga, Latvia)
38. **Effect of vitamin D insufficiency on cognitive functions in patient with type 2 diabetes mellitus** *Kut A., Fidan C., Yegin Z.* (Ankara, Turkey)
39. **The broken sellar** *Lara Martínez G., Peláez Ballesta A.I., Martínez Pagán V., Fernández Romero I., Sampedro Anguita A., Hernández Roca J.J., Mené Fenor E.* (Lorca, Spain)
40. **Hashimoto's encephalopathy in a young male in a after total thyroidectomy status – case report** *Lopes J.C., Silva J., Caixinha J.P., Siopa L.* (Santarem, Portugal)
41. **Isolated hypoaldosteronism: a cause for hyponatremia** *Louro M.M., Vaio T., Santos R., Carvalho A.* (Coimbra, Portugal)
42. **Prevalence of microvascular complications and their relation with metabolic control and cardiovascular risk factors in type 2 diabetes mellitus** *Machado C.M., Canelas M.A., Barbosa A.R., Fonseca T., Silva J., Mondragão A., Pipa S., Rigor J., Andrade L., Suarez E., Paixão Dias V.* (Vila Nova de Gaia, Portugal)
43. **Type 2 diabetes mellitus, dyslipidemia and cardiovascular risk factors – a retrospective study** *Machado C.M., Canelas M.A., Barbosa A.R., Fonseca T., Silva J., Mondragão A., Pipa S., Rigor J., Andrade L., Suarez E., Paixão Dias V.* (Vila Nova de Gaia, Portugal)
44. **Effect of anemia on the levels of HbA1c** *Marques B., Antunes M., Magalhães G., Castro S.G., Gruner H., Riso N.* (Lisbon, Portugal)
45. **Implications of hypothyroidism on diabetes mellitus and heart failure** *Marques B., Bogalho P., Antunes M., Castro S.G., Magalhães G., Gruner H., Riso N.* (Lisbon, Portugal)
46. **Autoimmune thyroiditis and Epstein-Barr virus infection: cause or coincidence** *Matos A.L., Tavares J.P., Calretas S., Parente F.* (Coimbra, Portugal)

47. **Neurocognitive and CNS abnormalities in humans with defective thyroid receptor alpha** Moran C., Visser W.E., Schoenmakers N., Muntoni F., Clark C., Gadian D.G., Chong K., Kuczynski A., Dattani M., Vargha-Khadem F., Chatterjee V.K.K. (Cambridge, United Kingdom)
48. **Hyponatremia in patients admitted into internal medicine hospitalization wards from the emergency ward** Moreno-Torres Concha V., Pintos Pascual I., Lledó Ibañez G., Roque Rojas F., Ríos Garcés R., Hernández Álvarez E., Millán Santos I. (Madrid, Spain)
49. **Familial hypercholesterolemia: treatment by low density lipoprotein aphaeresis: Lebanese experience** Moubarak E. (Roumieh, Lebanon)
50. **Methylglyoxal-induced glycation changes hepatic lipid content in high-fat diet-fed rats, analyzed by lipidomic and magnetic resonance imaging approaches** Neves C., Sereno J., Simões C., Castelhana J., Gonçalves S., Rodrigues T., Domingues R., Matafome P., Castelo-Branco M., Seiça R. (Coimbra, Portugal)
51. **The effect of L-thyroxine treatment on mean platelet volume in patients with hypothyroidism** Okuroglu N., Ozdemir A., Silahtar O., Dalbeler A.G., Sertbas Y. (Istanbul, Turkey)
52. **The importance of calcitonin measurement in thyroid nodules: a case of medullary thyroid cancer with benign fine needle aspiration biopsy but elevated serum calcitonin** Önem Y., Ay S.A., Basköy K., Hancerli Y., Deniz F., Yonem A. (Istanbul, Turkey)
53. **The association between insulin resistance and magnesium among obese and non-obese hypertensive cases** Ozturk E., Kocoglu H., Okuturlar Y., Hursitoglu M., Dirimen G., Harmankaya O., Kumbasar A. (Istanbul, Turkey)
54. **Pituitary apoplexy – a case report** Pedro A.B., Sousa R., Patrícia T., Aldomiro F. (Amadora, Portugal)
55. **Non-insulinoma pancreatogenous hypoglycemia syndrome: a rare cause of hyperinsulinemic hypoglycemia** Pintalhao M., Gomes C., Carneiro I., Cunha F., Lourenço P. (Porto, Portugal)
56. **Primary aldosteronism secondary to adenoma of Conn** Pinto C.M., Gonçalves A.T., Alexandre R.T., Afonso T., Maurício H., Madureira E. (Bragança, Portugal)
57. **Assessment of the relationship between function, autoimmunity and sonographic features of thyroid and neutrophil lymphocyte ratio in patients with Hashimoto thyroiditis** Polat İ., Susuz S., Özüğuz U. (Afyonkarahisar, Turkey)
58. **Early glycemc derangements in pre-diabetes, metabolic syndrome and polycystic ovarian syndrome: a case series** Rizvi A., Smith K. (Columbia, South Carolina, USA)
59. **Utilization of continuous glucose sensors (“Professional CGM”) improves glycemc control in diabetic patients who use insulin pumps** Rizvi A. (Columbia, South Carolina, USA)
60. **Ectopic intrathyroidic parathyroid adenoma causing hypercalcemia: localization and treatment** Rizvi A., Terris D. (Georgia, USA)

61. **A rare cause of febrile illness** *Rodrigues A., Rocha C., Donato S., Ferreira T., Sargento D.* (Lisbon, Portugal)
62. **Is there vitamin D deficiency in a sunny country?** *Santos S.M., Oliveira E., Ferreira Monteiro N., Soares M.M., Silva F., Mello e Silva A.* (Lisbon, Portugal)
63. **The neutrophil-to-lymphocyte ratio is higher in type 2 diabetic patients with cerebrovascular disease** *Sequeira Duarte J.M., Bello C., Serra F., Senra C., Ferreira R., Santos M.O.F., Saraiva C., Gouveia C., Azinheira e Carlos Vasconcelos J.* (Lisbon, Portugal)
64. **The fatty liver index: exploring hepatic steatosis in type 2 diabetic patients** *Sequeira Duarte J.M., Terra A., Fonseca R., Capitão R., Roque C., Azinheira J., Vasconcelos C.* (Lisbon, Portugal)
65. **The results of the treatment and follow up in patients with diabetic foot ulcer receiving treatment with wound care products** *Serin S., Karagoz G., Sevuk D., Karadeniz E., Doganci A., Celikoz Z., Gocbak G., Kadanali A.* (Istanbul, Turkey)
66. **A case with diabetic ketoacidosis and salicylate intoxication** *Serin S., Karaoren G., Tatar K.K., Ertlav S., Saler T., Basat S.U.* (Istanbul, Turkey)
67. **Mean platelet volume changes before and after the HbA1c improvement on a large study population** *Sertbas Y., Sertbas M., Dalbeler A.G., Elarслан S., Ozturk M.A., Okuroglu N., Ozdemir A.* (Istanbul, Turkey)
68. **Dysautonomia in autoimmune thyroiditis - case report** *Silva J., Costa L.J., Caixinha J.P.* (Santarem, Portugal)
69. **Incidence and clinical presentation of gastroenteropancreatic neuroendocrine tumors in Northern Spain** *Solis Marquinez N., Diéguez M., Montes L., Rodríguez D.* (Gijon, Spain)
70. **Intraabdominal fat deposition and development of comorbidity in metabolic syndrome** *Solovjeva A.V., Rakita D.R.* (Ryazan, Russian Federation)
71. **Cushing's syndrome due to ectopic ACTH production by a mediastinal paraganglioma** *Suescún Calderón F., Polanía Zuleta G., Carvajal Ronderos E.J., Carrera Bolaños L.C., Mascarenhas F.M., Perez Madrid J.* (Badajoz, Spain, Elvas, Portugal)
72. **Ultrasonography-guided fine-needle aspiration biopsies of thyroid nodules: single center experience** *Susuz S., Polat İ., Kebapçı M.N.* (Afyonkarahisar, Eskisehir, Turkey)
73. **Comparative evaluation of assessment methods of dry skin of the feet in diabetic patients and correlation with peripheral neuropathy** *Tsokos N., Liaskos C., Siami E., Tsilingiris D., Fytily C., Kokkinos A., Makrilakis K., Sfrikakis P., Katsilambros N., Tentolouris N.* (Athens, Greece)
74. **Overweight and obesity in a rural area of Portugal** *Urbano Gálvez J.M., Carvajal Ronderos E.J., Mascarenhas de Morais F., Bolaños L.C.* (Elvas, Portugal)
75. **Consciousness level and awareness of the disease among diabetes patients** *Usta Atmaca H., Akbas F., Sak T., Uysal Sak D., Acar S., Niyazoglu M.* (Istanbul, Turkey)

76. **Serum salusin- α as an atherosclerotic risk marker in hypothyroidism** Usta Atmaca H., Akbas F., Belcik Inal B., Deveci S., Nihat Okten I., Piskinpasa E. (Istanbul, Turkey)
77. **A rare case of papillary thyroid carcinoma with isolated lymph node metastasis and undetectable primary tumor** Yonem A., Basköy K., Ay S.A., Deniz F., Urhan M. (Istanbul, Turkey)
78. **A case of Graves' disease, resistant to anti-thyroid medicines** Yonem A., Basköy K., Ay S.A., Hancerli Y., Deniz F. (Istanbul, Turkey)
