Pulmonology

1. **Ventilator-associated pneumonia in a Portuguese intensive care unit - a one year retrospective study** *Alçada F., Faria C., Chan S., Germano E., Pimentel A., Viana P.* (Leiria, Portugal)
2. **Cancer in patients with pulmonary embolism** *Alonso Martínez J.L., Annicchero Sánchez F.J., Urbieta Echezarreta M., Villar García I., Rojo Álvaro J.* (Pamplona, Spain)
3. **Surveillance of pulmonary embolism in the elderly** *Anniccherico Sánchez F.J., Alonso Martínez J.L., Urbieta Echezarreta M., Villar García I., Rojo Álvaro J.* (Pamplona, Spain)
4. **Chylothorax and chylous ascites: the same etiology for two different conditions** *Araújo A.R., Teixeira G., Ferreira P.G., Valente C., Almeida P., Pires M.J., Pinheiro B., Saraiva A.* (Aveiro, Portugal)
5. **Smoking addiction in youth: the opportunities of an educational "check point"** *Besozzi A., Pierazzuoli F., Destro M., Dognini G.P., Cavalleri C., Locatelli G., Cagnoni F.* (Treviglio, Italy)
6. **The silent giant: solitary fibrous tumor of the pleura** *Biskup E., Necek M.* (Shanghai, China)
7. **Pulmonary alveolar proteinosis: a differential diagnosis for thorax X-ray alterations** *Canelas C., Melo V., Lemos J., Campos A.* (Viseu, Portugal)
8. **An association between idiopathic pulmonary fibrosis and pancreatic tumor markers** *Carrera Bolaños L.C., Carvajal Ronderos E.J., Ramalho Rosado C.A., Mascarenhas F.M., Barba M., Urbano Gálvez J.M., et al.* (Elvás, Portugal)
9. **Interstitial lung diseases: a needle lost in the haystack** *Coelho I., Antunes A.L., Gomes G.C., Silva A.O.* (Braga, Portugal)
10. **Obstructive sleep apnea, type 2 diabetes, non-invasive ventilation therapy and cardiovascular risk factors according to polysomnography analysis** *De Vega Sánchez B., Juarros Martínez S.A., Andrés García I., Muñoz Moreno M.F., González Sarmiento E., Disdier Vicente C.* (Valladolid, Spain)
11. **High flow oxygen through nasal cannula in acute hypoxemic respiratory failure: experience of an intermediate care unit** *Demelo Rodríguez P., Olmedo Samperio M., Gaitán Tocora D., Cano Ballesteros J.C., Del Toro Cervera J., Andueza Lillo J.A.* (Madrid, Spain)
12. **Necrotizing pneumonia to Staphylococcus aureus. A complicated case of cavitated lung lesions** *Diaz E., Simões J., Ribeiro A., Barata J.* (Vila Franca de Xira, Portugal)
13. **The orphan disease: knowing what we mean, meaning what we say about bronchiectasis** *Gonçalves A.L., Pinto C.M., Alexandre R.T., Maurício H., Soares D., Blanco M., Madureira E.* (Bragança, Portugal)

14. **Chronic respiratory failure in patients with neuromuscular disorders – follow-up in home ventilation** *Guimarães C.I., Pamplona P., Basto R.P., Pinto P., Bárbara C.* (Lisbon, Portugal)
15. **Rivaroxaban for the treatment of venous thromboembolism** *Gutiérrez-Guisado J., Erice A.* (Madrid, Spain)
16. **Bupropion intoxication induced serotonin syndrome** *Haver G.* (Ashkelon, Israel)
17. **Remodeling features of the left and the right heart in patients with chronic obstructive pulmonary disease** *Klester K.V., Efremushkina A.A., Klester E.B.* (Barnaul, Russian Federation)
18. **Pulmonary complications in intravenous drug users** *Klester K.V., Klester E.B.* (Barnaul, Russian Federation)
19. **Occurrence frequency and development peculiarities of chronic kidney disease at patients with chronic obstructive pulmonary disease** *Klester K.V., Klester E.B., Shoichet Ya.N.* (Barnaul, Russian Federation)
20. **Hypotension, even an important clinical sign, is not associated with imagery severity in patients with acute pulmonary embolism** *Klosi J., Vevecka A., Petrela E., Tase M.* (Tirana, Albania)
21. **Syncope is correlated with systolic dysfunction of right ventricle in patients with acute pulmonary embolism** *Klosi J., Vevecka A., Petrela E., Tase M.* (Tirana, Albania)
22. **Complicated pneumonia – a clinical case of cryptogenic organizing pneumonia** *Knoch A.C., Caetano O., Gouveia P., Silva A.O.* (Braga, Portugal)
23. **Obstructive sleep apnea and cardiovascular risk factors - characterization of a sample** *Lages J.V., Pereira R., Vieira A.L., Lacerda C., Iglésias L., Cunha J.* (Braga, Portugal)
24. **Persistent non-productive cough and hoarseness as the sole initial presentation of pulmonary tuberculosis** *Lages J.V., Pereira R., Vieira A.L., Lacerda C., Iglésias L., Cunha J.* (Braga, Portugal)
25. **Non-low risk pulmonary embolism patients' allocation** *Leonor T., Pinho R., Sousa E.* (Porto, Portugal)
26. **A retrospective study of tuberculous uveitis** *Lobo Martins H., Cardoso V., Duarte R.* (Gaia, Portugal)
27. **Community-acquired necrotizing pneumonia caused by Pneumococcus: an unpredictably exuberant case** *Marques M.R., Freitas M.M., Eça Guimarães L., Sousa S.M., Castro A.S., Mendonça A.P., Pinto T.* (Póvoa de Varzim, Portugal)
28. **Chylothorax – case report** *Meireles R., Peixoto C., Costa I., Rodrigues M., Iglesias V., Baptista P.* (Santo Tirso, Portugal)
29. **Characteristics of patients with chronic obstructive pulmonary disease admitted to a tertiary referral hospital** *Ng Y.K., Peh W.M., Chow W.L., Tee A.* (Simei, Singapore)

30. **Evaluation of a chronic obstructive pulmonary disease telehealth program to reduce healthcare utilization in a Singapore tertiary healthcare institute** *Peh W.M., Ng Y.K., Chow W.L., Tee A., Aung C.Y., Tin A.S.* (Simei, Singapore)
31. **Pleural tuberculosis: a case report** *Pereira J.A., Vilaça J., Melo F., Silva M.F., Bettencourt P.* (Porto, Portugal)
32. **Antiphospholipid antibody syndrome in a patient with sarcoidosis: a case report** *Pereira R., Gomes V., Carvalho R.M., Pinho A.F., Rodrigues C., Oliveira e Silva A.* (Braga, Portugal)
33. **Protocolized multidisciplinary evaluation of patients presenting with interstitial lung disease: searching for underlying systemic autoimmune diseases in 247 patients** *Pérez-Alvarez R., Pérez-de-Lis M., Brito-Zerón P., Hernández-González F., Sellarés J., Prieto S., Sánchez M., et al.* (Vigo, Spain)
34. **Pleural effusion: characteristics and etiology in a third level hospital** *Pintos Pascual I., Lledó Ibáñez G., Ríos Garcés R., Anula Morales Á., Alonso Morís J., Montoro Lara J., Moreno-Torres Concha V., Roque Rojas F., Laguna del Estal P.* (Madrid, Spain)
35. **Pulmonary toxicity secondary to rituximab: a rare but relevant complication** *Pires da Rosa G., Araújo P., Ceia F., Ferreira E., Fonseca E., Bettencourt P.* (Porto, Portugal)
36. **Measurement of dynamic of hyperinflation, pulmonary ventilation and dyspnea during 6-minute walk testing in patients with COPD** *Ponomareva I.B., Abrosimov V.N., Peregudova N.N.* (Ryazan, Russian Federation)
37. **Rosuvastatin effects on systemic inflammation and endothelial dysfunction in patients with chronic obstructive pulmonary disease** *Samorukova E.I., Adasheva T.V., Zadionchenko V.S.* (Moscow, Russian Federation)
38. **Let's talk about H1N1 co-infection...!** *Seidi M., Guimarães C.I., Custódio S., Figueiredo A., Irimia M., Fonseca V., Ramos A.* (Angra do Heroísmo, Lisbon, Portugal)
39. **Auscultation Master: lung sounds edition. Presentation of a clinical case with rich pulmonary semiology findings, using an innovative iPad app developed by the authors** *Silva M., Cunha D., Furtado A.* (Matosinhos, Portugal)
40. **Outbreak of Legionnaires disease, 12 October to 4 December, 2014 in Portugal** *Simões J., Diaz E., Ferreira B., Silva L., Camacho T., Louro C., Lourenço J., Barata J.* (Vila Franca de Xira, Portugal)
41. **Chronic hemothorax** *Soares D., Gil R., Gradinaru A., Terras Alexandre R., Brizuela J., Madureira E.* (Bragança, Portugal)
42. **Calcium metabolism in Latvian patients with a newly diagnosed sarcoidosis** *Tarcinska R., Baklasova A., Ruža I., Krams A.* (Riga, Latvia)
