Rheumatology

1. **Polymyalgia rheumatica - a diagnosis to consider** Almeida P., Araújo A.R., Pinto J., Pires M.J., Araújo E., Pinto A. (Aveiro, Portugal)
2. **Polyarthralgia and bilateral pulmonary infiltrates** Antunes A.L., Coelho I., Pinho F., Gomes G., Silva A.O. (Braga, Portugal)
3. **How big a clue is the Doppler in the diagnosis of giant cell arteritis?** Arderius M., Fortes D., Gomez N., Jordao A., Nunes Da Silva G. (Lisbon, Portugal)
4. **Lack of association between low bone mineral density and subclinical atherosclerosis measured by pulse wave velocity in women with systemic lupus erythematosus** Barbosa A., Castaño Romero F., Mangas M., Sabio J.M., Jiménez-Alonso J. (Granada, Spain)
5. **Systemic sclerosis sine scleroderma: a case report of anterior uveitis** Borges T., Vilaça J., Ferreira S., Chora I., Silva S., Dias C. (Porto, Portugal)
6. **Clinical characteristics of patients with erythema nodosum in Southern Israel** Brandstaetter E., Khutarniuk T., Porges T., Jotkowitz A., Barski L. (Beer Sheva, Israel)
7. **Clinical perspectives using computer programs in the diagnostic of the cardiovascular system vegetative regulation in patients with rheumatoid arthritis** Bublikov D.S., Andrienko A.V. (Barnaul, Russian Federation)
8. **Interaction of microcirculatory disorders and activity of rheumatoid arthritis on a scale of DAS-28-CRP** Bublikov D.S., Andrienko A.V. (Barnaul, Russian Federation)
9. **Perspectives of hemorheological disorders correction in patients with rheumatoid arthritis and its impact on clinical parameters of disease** Bublikov D.S., Lychev V.G., Andrienko A.V. (Barnaul, Russian Federation)
10. **Bisphosphonates-related osteonecrosis of the jaw. An entity recently discovered and poorly studied** Carrera Bolaños L.C., Carvajal Ronderos E.J., Mascarenhas F.M., Barba M., Urbano Gálvez J.M., et al. (Elvás, Portugal)
11. **Disturbed angiogenesis in systemic sclerosis and very early systemic sclerosis** Chora I., Romano E., Manetti M., Mazzotta C., Rosa I., et al. (Porto, Portugal, Florence, Italy)
12. **An unexpected lung nodule** Cipriano P., Pedroso A.I., Alves A.R., Nobre L. (Cascais, Portugal)
13. **Biphosphonate-related osteonecrosis of the jaw. A precise diagnosis is the first step for its prevention** Fernandez-Blest M., Pastor D.C., Gonzalez-Cruz I., Campos C.F., Rueda A.C., Beltran E.C., Calvo J.C. (Valencia, Spain)
14. **Who dares to stop antibiotics?** Fytili C., Kouveletsou M., Bassoulis D., Karamanakis G., Toskas A. (Athens, Greece)
15. **Osteoporosis mimicking bony metastases** Green V., Spooner L., Rigby S. (Warwick, United Kingdom)

16. **Immunosuppressive therapy: friend or foe?** *Ionescu R.A., Morar L.M., Stoian I.M., Baicus C.* (Bucharest, Romania)
17. **Analysis of efficacy and tolerability of abatacept in patients with different duration of rheumatoid arthritis: preliminary data** *Kanonirova M.A., Lukina G.V., Sigidin Y.A., Aronova E.S., Glukhova S.I., Luchihina E.L., Karateev D.E., Nasonov E.L.* (Moscow, Russian Federation)
18. **Activated protein C resistance in antiphospholipid syndrome: a common association?** *Kechida M., Lorenzo Villalba N., Klii R., Alonso Ortiz M.B., Hammami S., Khochtali I.* (Las Palmas, Spain, Tunis, Tunisia)
19. **Primary and secondary Sjogren's syndrome: which features?** *Kechida M., Lorenzo Villalba N., Klii R., Alonso Ortiz M.B., Hammami S., Khochtali I.* (Las Palmas, Spain, Tunis, Tunisia)
20. **Features factors of cardiovascular risk in patients with psoriatic arthritis** *Klester K.V., Klester E.B.* (Barnaul, Russian Federation)
21. **Correlation between erythrocyte sedimentation rate and C-reactive protein level in patients with rheumatic diseases** *Kotulska A., Kopeć-Mędrek M., Grosicka A., Kubicka M., Kucharz E.J.* (Katowice, Poland)
22. **Pathologic finding of increased expression of interleukin-17 in the synovial tissue of rheumatoid arthritis patients** *Liang T.* (Shanghai, China)
23. **Retroperitoneal fibrosis related to HIV infection?** *Louro M.M., Vaio T., Carvalho A.* (Coimbra, Portugal)
24. **Giant cell arteritis refractory to corticosteroid therapy: therapeutic efficacy of methotrexate** *Marinho C., Salvado N., Pinheiro L.S., Victorino R.M.M.* (Lisbon, Portugal)
25. **Massive bone destruction: deceiving appearance, a clinical case** *Marques Marto D., Lopes Rodrigues N., Saraiva de Melo N.F., Venâncio L., Salvado C., Malhado J.A.* (Lisbon, Portugal)
26. **Essential mixed cryoglobulinemia not associated with hepatitis C** *Mascarenhas F.M., Del Aguila J.M.* (Elvas, Portugal)
27. **Eye involvement of protest to repeat as autoimmune disease** *Mascarenhas F.M., Del Aguila J.M.* (Elvas, Portugal)
28. **Clinical heterogeneity of early psoriatic arthritis** *Mezenova T.V., Troshkina I.A., Badokin V.V.* (Moscow, Russian Federation)
29. **A case report of HLA B27+ arthritis caused by bone augmentation and dental implant** *Mihalcea R., Gingaras C., Daneasa A., Anton M., Siliste R., Homentcovschi C.S.* (Bucharest, Romania)
30. **An unusual case of Takayasu arteritis** *Morar M.L., Ionescu R.A.* (Bucharest, Romania)
31. **Abdominal pain as a sign of Takayasu arteritis** *Nunes C., Coelho C., Pinho F., Ladeira K., Redondo Costa J., Sampaio L., Assunção A., Pinto L.* (Braga, Portugal)

32. **Microscopic polyangiitis** Nunes I.M., Santos T., Croca S., Carvalho M.L., Braz Nogueira J.M. (Lisbon, Portugal)
33. **Arterial hypertension and complications of cardiovascular diseases in patients with rheumatoid arthritis** Osipova I.V., Starodubova J.N., Sopotova I.V. (Barnaul, Russian Federation)
34. **Two clinical cases, the same syndrome** Pereira M.C., Eça Guimarães L., Marques C., Pinto T., Monteiro J. (Vila do Conde, Portugal)
35. **Ethnicity-related differences in the clinical presentation of sarcoidosis: analysis of 175 patients from Spain** Pérez-Alvarez R., Pérez-de-Lis M., Sellarés J., Bosch X., Hernández F., et al. (Vigo, Spain)
36. **Osteitis deformans: diagnostic challenge** Pinheiro I.M., Alvim C., Menezes Falcão L. (Lisbon, Portugal)
37. **Vascular injuries in Behcet disease from the Madrid's community 3rd health care zone** Pino Gil J., Reverón Guzmán A., Sanz Moreno J., Arevalo Serrano J. (Madrid, Spain)
38. **Comparison of clinical and antidestructive effects of rituximab in rheumatoid arthritis** Pivanova A.V., Lukina G.V., Sigidin Ya.A., Smirnov A.V., Kuzikyants K.H., Kuznetsova A.Yu., Gluhova S.I., Nasonov E.L. (Moscow, Russian Federation)
39. **Adrenal insufficiency due to antiphospholipid syndrome in a patient with MTHFR C677T mutation** Sener Y.Z., Ozisik L., Erden A., Kalyoncu U., Durusu Tanriover M., Buyukasik Y., Bayraktar M. (Ankara, Turkey)
40. **Severe reactive thrombocytosis in a patient with microscopic polyangiitis** Siliste R.N., Orlov C., Ianula R., Homentcovschi C., Bojinca M., Isacoff M. (Bucharest, Romania)
41. **Propylthiouracil-induced vasculitis – a case report** Soares P., Oliveira J., Grilo A.M., Lopes M., Reina J., Vaz J. (Beja, Portugal)
42. **Dermatomyositis and polymyositis: importance of the first signs of disease** Sotto Mayor J., Pacheco A.P., Esperança S., Capela C., Oliveira e Silva A. (Braga, Portugal)
43. **Dermatomyositis in a patient with a renal mass** Stefanopoulos A., Iliopoulou S.M., Panoutsopoulos A., Karkamanis A., Pavlaki M., Rozi F., Mavras G. (Argos, Greece)
44. **Evaluation of the efficacy of drug therapy of obesity in patients with knee osteoarthritis** Strebkova E.A., Solovyova I.V., Sharapova E.P., Mkrtumyan A.M., Alekseeva L.I., Nasonov E.L. (Moscow, Russian Federation)
45. **Non traumatic hemarthrosis in patients on anticoagulant treatment** Teigell-Muñoz F.J., Gómez-Cuervo C., Paredes-Ruiz D., Nenclares-Peña P., Sanz-Fernández A., Duarte-Borges A., García-Pozuelo N., Madrid-Pascual O. (Madrid, Spain)
46. **Vogt-Koyanagi-Harada syndrome: a case report** Tourais Martins R., Paulo A., Silva I., Alves M.J., Barata J. (Vila Franca de Xira, Portugal)
47. **Effects of infliximab on pancreas tissue of methotrexate treatment rats** Tumkaya L., Mercantepe T., Kalkan Y., Mercantepe F. (Rize, Turkey)

48. **Complex assessment of pain in knee osteoarthritis** *Turovskaya E.F., Alekseeva L.I., Filatova E.G.* (Moscow, Russian Federation)
49. **Acute adult Still disease in an African patient** *Valente R., Gordinho A., Rosado S., Sousa M., Mesquita T., Araújo F., Pimenta da Graça J.* (Lisbon, Portugal)
50. **Absence of symptomatic pulmonary arterial hypertension in patients with mixed connective tissue disease in northwestern Spain after a long follow-up period** *Vázquez-Triñanes C., Villaverde I., Sopena B., Soto-Peleteiro A., Barojal A., Val N., Argibay A., Freire M., Rivera A.* (Vigo, Spain)
51. **Do we detect more pulmonary arterial hypertension in systemic sclerosis with DETECT algorithm?** *Vázquez-Triñanes C., Villaverde I., Sopena B., Martínez-Vidal A., Sousa-Domínguez A., Lorenzo-Castro R., Argibay A., Freire M., Rivera A.* (Vigo, Spain)
52. **A case of reactive arthritis** *Velho R., Freitas H., Ferreira P., Sarmiento H., Cotter J.* (Guimarães, Portugal)
53. **Application of the 1997 American College of Rheumatology revised criteria and 2012 Systemic Lupus International Collaborating Clinics classification criteria in a Spanish Systemic Lupus Erythematosus Register** *Vergara Díaz M.A., Delgado Romero S., Poyato Borrego M., Vidal Serrano S., Gómez Hernández M., et al.* (Sevilla, Spain)
